School Board Clears Way For Wage Tax Here

First Move Made At Special
Meeting Of Board
Wednesday Night

FIVE MILL TAX IS AIM OF PROGRAM

New Castle's school board cleared the way for a five mill wage tax at a special meeting Wednesday night.

The board introduced a resolution which when passed will set up a personal property tax collection bureau, provides for the mechanics of levying and collecting the tax, and also provides for the creation of a joint tax bureau with the city.

Not Passed Yet

No passage of the resolution was had, this must wait until the resolution has been advertised four times. At the expiration of the advertising time, the board will probably pass the resolution, probably hold a public hearing (not mandatory) upon the tax and in 1949 will probably levy the five mills on wages, salaries, commissions and profits of New Castle residents.

This resolution does not levy the tax. It merely cares for certain legal technicalities preparatory to the passage of such a levy.

In the discussion of the resolution the board members brought out the following facts:

What Levy Will Mean

When and if the levy is passed it will do the following things. Levy a five mill tax upon all wages, salaries, professional fees and profits from unincorporated business. The tax levy will apply only to residents of New Castle.

It will not be laid upon non-residents, nor upon incomes derived from such sources as stock or bond dividends, interest from money loaned, mortgages and the like.

During the discussion it was brought out that the tax would not be levied upon so-called "unearned income" for the following reasons. Income from stocks, bonds or mortgages is already taxed by the county or the state. The tax will not be laid upon non-residents for the reason that the board does not serve non-residents.

Reduce Realty Levies

It is the expressed purpose of the board to reduce realty tax levies, once the wage tax in effect. Several of the members said Wednesday night that the reduction would be made.

Pa New Observes

There was considerable of a traffic jam over the downtown area on Wednesday afternoon around 4:30 o'clock, when a train of nearly 100 cars went through the city headed north over the Erie railroad. West Washington street crossing was blocked for a period of time, and traffic held up, and the same condition prevailed when the train crossed Grant street.

Many residents of the city apparently expected a hard frost during the night, as many growing things that would have been affected by the frost were noted as being covered over as a precaution. There was a slight frost, Pa News is informed, but it is not believed that much damage was caused.

Out East Washington street, many things of various shapes were brought into use to cover the tender plants in the gardens—bushel baskets, waste paper cans, cardboard boxes, etc.; all in anticipation of a frost last night. There was but little frost, with a minimum of harm done.

State highway department workmen are engaged in stabilizing or making an all winter road out of a short piece of dirt road in the vicinity of Big Beaver grange hall. It is reported by Alfred Martin, county highway superintendent. The half mile stretch of road in

President Makes Visit To Philadelphia Today

(BULLETIN)
PHILADELPHIA, May 20.—(INS)—President Truman arrived at the Pennsylvania railroad's 30th street station at noon today and motored to Girard College for his address tonight.

By ROBERT G. NIXON
(U. S. Staff Correspondent)

WASHINGTON, May 20.—President Truman will make a pre-convention visit to Philadelphia today, in the course of which he will deliver an "inspirational" talk to a boys school.

The Chief Executive leaves the capital by special train at 9:45

E.D.T. for his one-day trip. He returns to the White House at 8:30 o'clock tonight.

The announced reason for the visit to Philadelphia, where the President will go in July to accept his renomination, is to attend a centennial celebration of the founding of Girard college.

Mr. Truman will address the student body of 1,300 at 5:05 p. m. E.D.T. The address, which the President will make extemporaneously, will be broadcast by one radio network. He will speak in the school chapel for about 15 minutes. The White House said the talk would be of an "inspirational nature."

Plan For Periodic Tests Of Motorists Held Not Feasible

HARRISBURG, May 20.—(INS)—Periodic examinations of Pennsylvania motorists lacked the support today of the joint state government commission.

The legislative fact-finding agency, a power in the general assembly, said a sub-committee had decided the proposal was "not feasible" because the state lacked machinery to assure success of the three-year plan.

Intensified driver training for high school students was recommended instead.

The sub-committee claimed the Commonwealth could save between \$400,000 and \$500,000 a year by issuing a permanent, single license plate for the rear of vehicles instead of two for each vehicle and providing yearly tabs to indicate fee renewals. The system was

Lewis Charges Three Operators Are Responsible

Asserts Peace Or War In
Coal Industry Rests With
Three Top Operators

By PHILLIPS J. PECK
(U. S. Staff Correspondent)

WASHINGTON, May 20.—John L. Lewis declared today that the "responsibility for peace or war in the coal industry" rests with a triumvirate of three powerful operators.

The UMW president, commenting on the collapse of the national joint wage conference to negotiate a new coal contract, said that "there is still time to make a contract" providing three top operators "change their mind."

Lewis' Assertion

Lewis told a news conference that the responsibility rests with Benjamin Fairless, president of U. S. Steel; George Humphrey, head of the M. A. Hanna Co., and J. D. Francis, president of the Island Creek Coal Co. and key operator in the south.

The union leader said: "The failure of the joint conference to organize was unfortunate. It makes for a delay in negotiations and probably accentuates the apprehensions being built up about a possible stoppage of mining with the expiration of the contract June 30."

"The mine workers deplore the constant speculation that there is going to be a strike just because the agreement is going to expire. The purpose of the joint conference is to negotiate a new agreement that would render unnecessary any cessation of mining."

"There is still time providing three men change their minds," Lewis asserted that Fairless, Humphrey and Francis have "complete control" over the negotiation of a new 1948 coal contract.

Murder Verdict By Coroner's Jury In Doctor's Death

ERIE, May 20.—(INS)—A coroner's jury today had returned a murder verdict in the death of Dr. Alexander C. Cameron, 65-year-old physician, whose body was found in Lake Erie last May 9.

Dr. James E. Wallace, assistant pathologist at Hamlet hospital testified that Dr. Cameron went to his death clutching a "long black human hair."

National Guard Troops Are Called At Waterloo, Iowa

Striker Is Shot To Death
And Woman Wounded
In Strike Clash

(BULLETIN)
WATERLOO, Ia., May 20.—(INS)—Iowa National Guard troops arrived at Waterloo, Ia., today and began evacuating marooned non-striking employees from the picket-lined Rath meat packing plant where a striker was shot to death and a woman was wounded.

Sheriff H. D. Wagner of Backhawk county said the first of 1,000 troops started arriving after one a. m. and by five a. m. 300 guardsmen had started to clear the area around the plant.

Martial law, however, has not been declared in the strike area. Troops from seven nearby Iowa cities were being rushed to the scene by truck and rail.

Wagner declared that the full complement of men probably would be on hand within the next 24 hours.

Employees Marooned

He added that it probably would take "a couple of hours" to evacuate 150 non-striking employees marooned in the plant over night and establish a 500-foot non-picketing zone.

The sheriff declared that it had been quiet around the plant during the night and that he did not anticipate any further violence while the guardsmen were setting up their lines.

Col. F. P. Williams, chief of staff of the 34th Infantry, flew to Waterloo from Des Moines early today.

Sanction Plan For Palestine Faces Defeat

By PIERRE J. HUSS
(U. S. Staff Correspondent)

LAKE SUCCESS, N. Y., May 20.—Attempts to invoke United Nations sanctions and possible force to halt Palestine fighting seemed doomed to defeat today.

The Security Council, prepared to meet again today to consider a United States proposal calling for firm U. N. action, appears to be lined up in opposition to such a move.

Only Russia supports the American position. But at least three nations—China, Belgium and Syria—are openly following the British lead against it. Doubtful nations who will probably either abstain or vote in the negative are Canada, Argentina and Colombia.

In the 11-nation body, this leaves in support of the American call for sanctions only France, Russia, the Ukraine and the United States. A veto would thus not come into the question, although Britain or China might resort to it in the extreme case that a majority of seven should suddenly be mobilized.

Will Erect New Street Lights On Washington St.

Work To Be Started On Installation On Monday It
Is Announced

Council announced today that plans have been completed for the immediate improvement of the street lighting system in Washington street, between Beaver street and Croton avenue at no increased cost to the city. It is proposed to have the work completed before the sesqui-centennial.

The announcement came following a conference between L. B. Round, vice president and general manager of the Pennsylvania Power company and council.

Vice President Round stated that a contractor would begin work Monday.

The new lights will be similar to those now in Taylor street.

Will Be Done In Sections

The work will be done in sections the new lights being illuminated and the old system dismantled as the work progresses. The lights to be installed will be the modern spherulite unit, suspended from brackets on steel poles, a system similar to that recently completed in the State street business section of Sharon. It is estimated that the effective light on the street will be four times as great as with the present system.

Due to the greater efficiency of the new units, however, and the new street lighting rates recently filed by Pennsylvania Power Company, the annual street lighting cost to the city will not be increased. All street lights are furnished by the company on a full

How War Memorial Will Appear When Completed

By superimposing an architect's sketch of the Lawrence County War Memorial, now being erected at the court house property at Court and East Washington street, on a photograph of the court house location, the News Photo-Engraving department has provided the above picture giving an idea of how the memorial will appear when completed. Work has been in progress for some time, with the foundation and the wall for the names nearly completed. Names on the memorial will be those in the county who lost their life in the service of their country during World War II. Approximate cost of the memorial is \$23,800, and it is being erected with county funds.

Bevin Rejects Proposals For Disarmament

(BULLETIN)
SCARBOROUGH, May 20.—(INS)—Foreign Minister Ernest Bevin today rejected proposals that Britain disarm and asked Russia to "stop provocation."

In a declaration of policy at the British Labor Party conference, Bevin declared:

"There is no basis for disarmament in confidence until the nations of the world commit themselves to collective security."

"I suggest that as a start the Russians set an example and stop provocation and war of nerves." Despite frequent catcalls and boos during his speech, the Labor Party overwhelmingly endorsed the policy set forth by the heavy-set ex-trade union leader. It also rejected criticism of Britain's policy in Greece.

Making it clear that the British will not withdraw from Berlin for any reason, Bevin declared:

"Whatever the provocation, we intend to stay in Berlin."

Chiang Kai-Shek Takes Office As China's President

NANKING, May 20.—(INS)—Generalissimo Chiang Kai-Shek took the oath of office today as the first constitutional president of China and pledged himself to stamp out corruption within the government.

In his inaugural address, China's "strong man" also renewed his long-standing vow to crush what he termed the "Communist Rebellion" and thereby end the nation's fratricidal civil war.

The generalissimo, turning to international affairs, called for a "policy of magnanimity" in conclusion of peace treaties with China's ancient enemy, Japan, as well as with Germany.

Immediately following Chiang's inauguration in Nanking's national assembly auditorium, Gen. Li Tsung-jen took the oath of office as constitutional vice president, to which he was elected over the president's opposition.

Two Small Girls Killed By Bus

SCRANTON, Pa., May 20.—(INS)—David Butler, of Vandling, was under \$3000 bail today on an involuntary manslaughter charge after the bus he was operating struck three young girls at an intersection in Carbondale.

Carolyn Ann Bisgano, five, of Carbondale township, was killed instantly, police said. The child's sister, Rose Marie, three, and Mary Ann Russell, 14, were taken to St. Joseph's hospital with head and body injuries.

Butler told police the children stepped from the sidewalk into the path of the heavily loaded bus.

Palestine-Bound Plane Crashes In Take-Off At Rome

By MICHAEL CHINIGO
(U. S. Staff Correspondent)

ROME, May 20.—One of three Jewish light-bombing planes en route from the United States to Palestine crashed and burned on its takeoff from an airport outside this morning.

The pilot and co-pilot, former members of the Canadian RAF, were killed.

The planes, "Norseman" models, were held up since yesterday by Italian authorities because of improper registration.

Italian police said that the planes were purchased in the United States, and then travelled through Canada, Britain and France to Italy.

Accompanying the three aircraft was a Beechcraft cabin plane, reportedly intended for use as a "pathfinder" for the bombers. The planes were to have been converted into light bombers in Israel.

King Abdullah Refuses To Halt Military Action

LAKE SUCCESS, N. Y., May 20.—(INS)—The United Nations was notified today by the consular trustee commission that King Abdullah has refused to "halt military operations against Palestine."

The three-man group reported that only "strong diplomatic" pressure can prevent the campaign of the Arab Legion from continuing and in particular from seizing all of Jerusalem.

The information on King Abdullah was contained in four reports received by the security council and read to the morning meeting from the consuls of France, Belgium and the United States.

M.M. 3-c R. H. Miller Dies At Long Island

FOUR ARE INJURED RESULT OF BLAST

TONAWANDA, N. Y., May 20.—(INS)—Four men were injured at Tonawanda, N. Y., today, one seriously, when an explosion of undetermined cause rocked the oil tanker Oswego-Socoyo loaded with 600,000 gallons of gasoline.

The explosion, which did not result in fire, apparently occurred in the pilot house. The vessel came from Toledo.

Arab Artillery Shells Hospital In Jerusalem

OLD JERUSALEM
BEING "MOPPED UP"

By BENN FELLER
(U. S. Staff Correspondent)

TEL AVIV, May 20.—Jewish officials announced today that heavy Arab artillery has raked the huge Hadassah hospital and the Jewish university in Jerusalem amid spreading hostilities in Israel.

Both buildings, isolated from the rest of the Holy City when the Arabs captured the northern Jerusalem suburb of Sheikh Jarrah, were heavily shelled during the night.

A Haganah communique earlier announced Jewish destruction of a Syrian army invasion supply camp in a midnight sortie behind enemy lines on the Syrian frontier.

Broke Into Syrian Camp

Hard-hitting commandos broke into the Syrian camp, driving out the Arabs after fierce hand-to-hand fighting.

The Jewish troops remained in possession for several hours. They destroyed field-guns, armored cars and ammunition dumps.

Hutments for accommodation of the Syrians were blown up and the whole place levelled before the Jews departed. Haganah said the swift, daring raid deprived the Arabs of one of their best assault posts for new invasions of Israel from Syria.

Egypt continued preparations for a prolonged campaign in Palestine. A military proclamation said that all physicians, dentists, and pharmacists are liable for conscription. Electrical and mechanical engineers were called up.

"Mop Up" In Old City

The Arab high command in Amman, Trans-Jordan, issued a communique that told of "mopping up" the last Jewish posts in Jerusalem's old city. It said that Arab artillery scored direct hits on an ammunition depot, and a police depot in the new city.

Two Arab Spitfire fighter-bombers raided Tel Aviv again at noon.

Haganah forces carried out the sortie amid mounting warfare in the north of Palestine.

Fighting intensified between Jews and Arabs in the north intensified as

Taft-Hartley Law Invoked To End Dispute Of Unions

Nolen P. Woodward, a painting contractor, today invoked the Taft-Hartley Act in an effort to end a jurisdictional labor dispute at the Frew building, on the Public Square.

Mr. Woodward has filed an equity suit asking a preliminary injunction to stop picketing, to prevent intimidation and to obtain punitive damages for loss caused him. The equity suit is directed against local 24, Painters' Union, American Federation of Labor, and Herbert U. Saxon of the Building Trades Council, American Federation of Labor.

The case arises out of a contract Mr. Woodward has for the painting and decorating of the Frew building. His painters are members of local 1601, Painters' Union of the CIO.

On May 5 the AFL painters' local began picketing the property because CIO painters were at work, it is stated. Other craftsmen affiliated with the AFL have refused to cross the picket line.

Judge W. Walter Brahm has set Saturday, May 22, at nine o'clock, DST, as a hearing time upon the petition for a preliminary injunction. It is charged the actions of the AFL painters violate the Taft-Hartley Act.

Mr. Woodward asked that the picketing be stopped, that local 24 be enjoined from intimidating J. R. Frew or in any way interfering with the work of the painters employed by Woodward, and finally he asks for "reasonable compensation" for the loss occasioned.

Sheriff Wagner ordered the workers to remain inside the plant until enough guardsmen arrived to maintain order.

Latest Violence

Gov. Robert D. Blue, who was campaigning at Clinton, Ia., ordered the National Guard after Waterloo authorities declared the situation "is out of hand."

The latest violence in the 66-day-old nation-wide meat packing strike occurred last night when William Farrell, 39, a striker, was shot to death and Mrs. Margaret Graheup, 34, a picket, was wounded by two shots fired by a non-striker who was trying to drive through the struck plant's gate.

Fred Roberts, 33, a negro and father of nine children, was held in connection with the shooting. Sheriff Wagner ordered him taken from Waterloo jail to an undisclosed place for safekeeping.

Blair C. Wood, Blackhawk county attorney, said he would file murder charges against Roberts today.

used during the war to save metal. There are about 2,000,000 vehicles licensed in the Commonwealth.

Legislation will be required to establish a permanent tag but not to reduce the number to one. Rep. Samuel B. Dennison (R. Jefferson, chairman, said he knew that two states, which he could not identify, had found driver re-examination impractical.

Would Be Huge Task Pennsylvania officials would be forced to renew tests for 1,000,000 drivers a year and give initial examinations for about 300,000 beginners under the three-year arrangement, he explained.

The Commonwealth has 3,300,000 licensed operators. Sen. Weldon B. Heyburn (R. Delaware, JSGC chairman, explained existing laws permitted re-examination of persons involved in accidents.

The committee approved revisions for the state motor vehicle and tractor code that would raise to 50 miles an hour the speed limit on certain trucks now held to 35 or 40 miles an hour. Removal of the limitation would place a uniform maximum 50-mile an hour speed ceiling on all vehicles, Heyburn explained, but would not eliminate zone restrictions.

ture" to boys between the ages of six and eighteen.

The President was accompanied on the trip by Horace Deal, an old friend of St. Louis, Mo., who attended the school as a boy and who was influential in persuading the President to visit the school.

He was also accompanied by James Finnegan, collector of internal revenue, of St. Louis, and members of the President's staff.

These included Fleet Admiral William D. Leahy, secretaries Matthew Connelly and Charles G. Ross, his military aide, Maj. Gen. Harry Vaughan, and naval aide, Capt. Robert Dennison, the air aide, Capt. Robert Landry and his physician, Brig. Gen. Wallace Graha-

While the executive committee of the Democratic National committee is meeting in Philadelphia today, the White House said the President would not have any engagements with members of the committee while there, and that the trip is "non-political."

tion in really levies would come in 1949, the first year the wage tax is laid. The reduction is estimated at four mills, it was indicated.

While the law does not compel a public hearing in the levying of a wage tax the board members expressed themselves as being in favor of such a hearing, when the legal technicalities have been completed. This will probably be sometime in the late summer or early fall.

No date for the installation of the wage tax was set but it appears likely it will go into effect January 1, 1949. It will probably be October before the actual levy can be set and the machinery for collection set up.

the southeast corner of the township has presented some travel problems for the residents of that area during the winter and the work will be welcomed by them.

Motorists traveling south on Butler avenue toward East Washington street, should have little difficulty in discovering the new traffic lights at the intersection of Butler avenue and Ray street. Two lights have been erected for the convenience of south bound traffic, making five lights in all on standards at the intersection.

Shoppers in the downtown section were quite bewildered for a

short time on Wednesday afternoon when they discovered large girls wearing pig tails, carrying baby dolls and going through many childish actions. It was learned that the "overgrown children" were members of the graduating class of the Union township high school doing a little celebrating.

TRIVERS-HANNA CHURCH WEDDING

Third U. P. church was the scene of a pretty candlelight wedding Tuesday evening at 7:30 o'clock when Miss Donna Ellene Travers, daughter of Mr. and Mrs. Stephen N. Travers, of 111 Quest street, became the bride of Jack Edward Hanna, son of Mr. and Mrs. William Hanna, of Carr street.

White snapdragons, palms and ferns banked the altar for the exchange of vows at a double ring ceremony with Dr. J. Paul Graham officiating.

The bride, given in marriage by her father, wore a gown of white marquisette, the round neckline outlined with a bertha collar caught with stephanotis blossoms, the long sleeves were pointed at the wrist and the long train was edged with a ruffle caught at the knee with stephanotis. Her veil fell from a satin cap trimmed with white carnations and she carried a bouquet of white carnations and stephanotis.

As maid of honor Miss Mary Rowan wore a gown of pale blue marquisette with a matching mitts and crownless horsehair picture hat and carried pink carnations. Bridesmaids, Miss Darlene Travers and Mrs. Donald E. Kerr, wore gowns of the same style of yellow and pink marquisette respectively, with matching mitts and picture hats and carried, the former bronze carnations and the latter, blue carnations.

As soloist Mrs. Edward O'Neill sang "Because," "Through The Years" and the Lord's Prayer. Miss Lillian Sarver was at the organ.

A reception for 100 guests at the home of the bride's parents followed the wedding with refreshments served buffet style. Pouring were Miss Phil Marino and Miss LaVerne Merriman.

Mr. and Mrs. Hanna left on a wedding trip to the New England states and Canada and upon their return will be at home after June 1 at 111 Quest street until their new home under construction on the Butler road is completed.

Mrs. Hanna, a graduate of New Castle high school and the Jameson Memorial School of Nursing, is a surgical nurse at Jameson hospital.

Mr. Hanna, a graduate of Shengango high school, who served as a captain in the AAF flying the Hump in the CBI theater during the war, is engaged in the contracting business with his father.

HAYS-SHAFFER REHEARSAL GIVEN

Rehearsal for the wedding of Miss Helen M. Hays and Dale V. Shaffer, was held Tuesday evening at the Hays home, Willow Grove Street, Ellwood City. The lawn wedding will take place at 2:30 o'clock Saturday afternoon, May 22, with Rev. E. V. May of the Ellwood Methodist church officiating.

The entire bridal party took part in the rehearsal, including: matron of honor, sister of Miss Hays, Mrs. Robert Eagleson of New Wilmington; bridesmaids, Miss Mary J. Baker of Franklin, best man, Fred Stevens of Slippery Rock and ushers, Robert Shaffer, of Sandy Lake and Robert Eagleson of New Wilmington.

Soloist will be Miss Doris Wana-maker of Kinsman, Ohio, former roommate of the bride-elect at Westminster College. Accompanist will be Miss Charlotte Weiner, of Somerset, who is a former music associate of Miss Hays at Westminster College.

Following the rehearsal at 7:30 o'clock buffet refreshments were served.

Among out-of-town guests were Mrs. Bessie Gumbert, Slippery Rock, grandmother of the prospective groom, and Miss Nancy Dudley and Raymond Brink, of Franklin.

The bride-elect is the daughter of Mr. and Mrs. Charles E. Hays, Willow Grove Street, Ellwood City, and her fiancé is the son of Mr. and Mrs. Edgar E. Shaffer of Slippery Rock.

BOWLERS GUESTS AT PRE-NUPTIAL SHOWER

Mrs. Thomas Edmunds of 715 Blaine street entertained the ladies bowling team of the New Castle Store at her home Tuesday evening at a miscellaneous shower in honor of Miss Donna Cornelius a bride-elect of June.

The evening was spent in quiz games, prizes going to Mrs. Annie Davies, Mrs. Margaret Callahan, Mrs. Thelma Phillips and Mrs. William White after which Miss Cornelius was given the end of a ribbon to follow and at the end of the ribbon was a table full of lovely gifts for her.

Later the guests were invited to the dining room where lunch was served with table decorations carried out in pink and white. At each place were small white baskets with miniature bride and groom and a card attached reading "Don and Donna" June 20, 1948. Each person was given an appropriate book with the bride-elect's picture on the cover.

The hostess was assisted in serving by her mother Mrs. Edward Mayberry and Mary G. Edmunds. Special guests were Mrs. Olive Cornelius and Mrs. William Glitch. Miss Cornelius, who will become the bride of Donald Glitch at an open church wedding Sunday, June 20, in Epworth Methodist church is the daughter of Mrs. Olive Cornelius of 825 East Washington street. Her fiancé is the son of Mr. and Mrs. William Glitch of 222 East Falls street.

TRIO HONORED AT EVENING GATHERING

Mr. and Mrs. Samuel Deiger, 1116 West Washington street, entertained at dinner at their home on Wednesday evening, marking the birthday anniversaries of Miss Nora Jean Anderson and Mrs. Deiger and later in the evening, that of Mrs. J. E. Hute.

The dinner event took place around a beautifully appointed table centered with a birthday cake. Following the dinner, Mrs. Hute, Mrs. Deiger and Miss Anderson were presented with many lovely gifts by their families. The honorees were the recipients of many lovely gifts.

Nora Jean is the daughter of Mr. and Mrs. Miles Anderson of New Wilmington.

In View Of News Of The World

By J. C. Ostreicher, INS Foreign Director

Jewish hopes of a swift overall victory in Palestine which would compel the Arabs to accept the Jewish state of Israel as an accomplished fact seem to have suffered a setback today.

A stiffening of both Arab morale and armed strength was noted in dispatches from Tel Aviv and elsewhere.

The Jews captured the ancient port and fortress city of Acre, famed for its role in the crusades, and thus sealed up the northern gateway to Israel and took control of the entire Mediterranean coast except for British-held Haifa.

But they lost a number of settlements. Arab sources said some were evacuated without a fight and that all of them were found to have been fortified and well armed just such a contingency as prevails in the Holy Land today.

And the Jews were facing badly in Jerusalem.

A constant stream of artillery shells from the hills above the city took a heavy toll in casualties. The vital road linking Jerusalem with Tel Aviv and the coast remained blocked by the Arabs who are now setting up permanent fortifications and digging trenches in the surrounding countryside.

As a result of this block, the Jews were reported running short of ammunition. The Arab artillerymen outside Jerusalem were reported firing indiscriminately while the Jews had to hoard their bullets and shells.

Arabs Suffer Blow
Highly sensitive and intensely proud, the Arabs suffered a heavy blow to their morale in the initial Jewish victories.

Battlefront dispatches said that their spirits now have risen noticeably. One told of wild Bedouins streaming down from the hills boiling for battle and predicting the capture of Tel Aviv within a matter of weeks.

Many observers familiar with Arab customs, ways and manners are inclined to believe the Jews are against belief in quick victory or establishment of a permanent state in Palestine despite the recognition from foreign nations that are flowing in.

To the desert Arab, time is of relatively small importance and to lose life in heroic battle is the greatest of all honors.

It is not inconceivable that should the Jews with their admitt-

edly immense resources take a hold that seems to be a permanent one, the Arabs may retire and wait to fight another day—perhaps five, 10 or 25 years hence.

The Jews on the other hand hope that such passage of time will open the path to a peaceful settlement and future cooperation.

Jews and Arabs who lived together in Palestine from early times never had any trouble. They even acknowledged one another's holy days to the extent of exchanging gifts and good wishes. Jewish belief is that this goodwill may someday be extended to embrace all Jews and Arabs in the Holy Land.

But for the present there is savage fighting and no one can predict the outcome.

Looking At Life

By Erich Brandeis

One of the things I'll never be able to understand is the mental make-up of those fellows who go on perilous safaris into wild countries and then come up with a 100,000-year-old set of bones.

Just a little while ago, for instance, the American Museum of Natural History announced that Dr. Robert Cushman Murphy, of that organization, had uncovered the bones of the now extinct Moa, a bird that grew 12 feet high, weighed a quarter of a ton and laid eggs the size of a football.

It took Dr. Murphy, his wife, and a group of New Zealand scientists five months of arduous exploring to make this wonderful discovery!

Now there will be—in the halls of the museum—the bones of a Moa, extinct 100,000 years, and there isn't even one of those eggs. I am not minimizing the importance of the discovery nor any of the other expeditions.

But just look how far we still are from discovering what is wrong with the human race of 1948 and what has made the United Nations lay an egg compared to which that Moa egg is microscopically tiny.

Then I also read that Army Signal Corps scientists are getting ready to explore the surface of the moon with radar in an attempt to map its mountains, valleys and craters.

So we are going to find out all about what's going on the moon, eh?

It is one of the outstanding characteristics of the human to stick its nose into other people's business which seems to be ever so much more interesting than its own.

Why find out what is going on the moon?
Why not find out first what's going on on this earth?

Isn't earth an interesting enough planet?

Aren't there still millions of things to discover, things about which we are still completely in the dark?

Before messing with the moon shouldn't we try first to eliminate hatred and wars from this earth?

Before going to New Zealand for Moa eggs, shouldn't we first see to it that there is no hunger and want here in our own United States and in countries much nearer to New Zealand?

Those expeditions cost a lot of money.
We throw around millions for all sorts of exploits.

How about spending some of those millions to make the human race come a bit closer to the grand ideals it has set up for itself and from which it is still as far away as moa-eggs and the moon?

Sometimes I think we are just a lot of cowards.
Birds extinct 100,000 years don't bite.

But some of those live issues of ours have teeth in them and we are afraid to tackle them because we may get hurt.

So let us start right here and with the things that are vital NOW. There certainly are enough of them that smell as badly as a 100,000-year-old Moa egg.

Getting right down to business . . . that's what the committees are doing . . . and it's the Sesqui-Centennial Committees that we are talking about. It behooves all of us . . . individuals, organizations, merchants, industry and professional people to cooperate with the men and women who are giving of their time to make this year's celebration a success. Those who are collecting funds for the Sesqui-Centennial are making the necessary calls . . . BUT we would like to caution all merchants and individuals . . . Only cooperate with authorized Sesqui-Centennial personnel . . . they and only they carry proper credentials.

It's not every day that a community has the opportunity to say . . . we are 150 years old . . . a lot of history has been made in those years . . . important history . . . you who are enjoying this town today help make some of that history . . . remember?

Here are a few words that John Weyer contributed to the Sesqui-Centennial:

We'd Better Stay Out:

Washington Calling

(By Marquis Childs)

WASHINGTON, May 20.—The House of Representatives has approved a piece of legislation the like of which has never seen under the American form of government with its guarantee of freedom to speak freely to worship and freedom to vote. It would give to the Attorney General of the United States powers so broad that he could regulate and coerce the thought of millions of Americans.

In its first test, the Mundt Bill won approval by more than seven to one. It got the votes of those very representatives who talk loudest against regimentation and the power of the state.

In this and two following columns, I want to analyze that bill in relation to the problem of freedom versus security. The Stassen-Dewey debate has helped to put the issue in the forefront of public interest. But even so, most Americans, distracted by the problems of living in a period of soaring inflation, are hardly aware of what is at stake. It is high time, in my opinion, that they understand the issue.

Pattern Clear Enough
In the haystack of fact and fiction that the House Un-American Activities Committee has put together, the pattern of the conspiratorial Communist intrigue is clear enough for anyone to see. It has been spelled out many times before, perhaps most clearly and authoritatively in the report of the Canadian Royal Commission that investigated the conspiracy directed by Soviet agents to steal secrets from the government in Ottawa.

Such a conspiracy is illegal, immoral; it shatters all the relations of faith and confidence that hold a society together. Therefore, says Rep. Karl Mundt of South Dakota, there ought to be a law.

Mundt's intentions are clear enough: This is an evil and we can abolish it by law. He and his colleagues put a great deal of time and study into drafting the Mundt Bill.

Threatens Freedom
In my opinion, that bill threatens the foundation of the House of freedom. It gives a grant of almost dictatorial power that could be used not merely to check the Communist conspiracy but to end all independence of thought in this country.

The bill, in Section 4, provides that it shall be unlawful for any person "to attempt in any manner to establish in the United States a totalitarian dictatorship, the direction and control of which is to be vested in, or exercised by or under the domination or control of, any foreign government, foreign organization or foreign individual." It goes on with even more specific language and provides penalties including imprisonment to ten years.

As Rep. John Carroll of Colorado pointed out in the debate, this would include the Communist party, and therefore the bill outlines the party even though its sponsors say it does not do so. Harold Stassen said the same thing in his debate with Governor Dewey.

Under the bill, "Communist-front organizations" must register with the Attorney General and publicly make known, in a variety of ways, the fact that they are Communist-front organizations. The bill sets up four tests to determine whether a "front" is "under the control of a Communist political organization."

Fourth Test
The fourth test "is (the position taken or advanced by it) (the front) from time to time on matters of policy." If it fails to pass "some or all" of the tests, then "it is reasonable to conclude" that it is a front organization and therefore subject to the law. This conclusion can be reached if the Attorney General decides that the front's views and policies are in general adopted and advanced because such views or policies are those of a Communist political organization, a Communist foreign government or the world Communist movement (previously defined).

Hints On Etiquette
If a girl is asked to be maid of honor at a friend's wedding but her fiancé is not asked to act as best man, she should not be upset, as attendants are not paired off at weddings. Even if her fiancé was not asked to take part in the wedding, she need not feel slighted.

Keep Your Good Old Days

By PAUL GALLICO

There may be some journalists who yearn for a return to the good old rough and tumble days of the Fourth Estate, but I do not. I like very much the good new days.

For instance, it was the custom in the times of James Gordon Bennett, Charles A. Dana and others in the early dawn of American newspapers for parties who felt themselves aggrieved by remarks appearing in the columns of the press, to invade the sanctum of the editor armed with rhinoceros whip, pepper-pot pistol and blunderbuss and relieve said editor of a little of his gore. If same said editor was wise his sanctum was usually fortified. At the very least he made a practice of keeping a six-shooter in his desk drawer just in case the debate of keeping a six-shooter in his desk drawer level to the more demonstrative in which case he would not be left without some practical arguments.

Not Good For Nervous System
It was exciting in those times to have the power to express yourself editorially, but not good for the nervous system. Individuals who fancied themselves diminished by being posted as scoundrels, horse-thieves and scoundrels in the columns of the press were not above laying an ambush for the composer thereof, catching him with his shooting irons in his other suit and working serious mischief upon him from the opening of a dark alley.

Today, all is different. Lash out at some industry, organization or individual in the course of your fearless upholding of the honest ideals of something or other and what happens? Your telephone rings. You take the instrument off the hook. Treacle pours from it, followed by oil and molasses. A soft, smooth, and loving voice says, "Great little piece you had, old man. The Big Chiefs was mighty interested in what you had to say, MIGHTY interested. Say, what about having lunch with us some day next week and talking things over. We might be able to give you some more information, etc. etc. . . ."

No Longer Shoot You
They no longer shoot you. Instead they invite you to lunch. As one who has an inborn distaste for altercations punctuated by gunfire, I must say the new method of dealing with editorial fearlessness has its attractions.

In recent weeks I have written ringing articles attacking the service on American steamships, the degeneration of the American hotel and the dining car shortage on the 20th Century Limited. Whereupon first the American Hotel Association and then the New York Central invited me to lunch. Only a representative of a steamship line so far forgot the New Approach as to raise his voice irrationally against my prose, and that, of all things, took place in a private club room. No assault was perpetrated on my person, however, possibly due to the fact that I was armed to the teeth at the moment with a duelling sword with which I was preparing to joust with a friend. For in spite of the modern tendency towards restraint I never relax my fencing practice. We journalists never know when we may be called out.

Gets Some Enlightenment
The lucheons were enchanting and the hosts were the public relations representatives and department heads of the injured parties charming fellows. It is a further indication of the advanced state of our civilization that one breaks bread with them in utmost confidence with never a thought of the possibility of an infusion of cyanide slipped into the cocktail, or some secret oriental alkaloid pepping up the soufflé.

From the New York Central boys I learned that in the winter when the weather is rezo, you get only one diner on the Century because of the problem of heating the train. The extra car means diminished heat in all the others. As soon as the weather moderates, the Century sports TWO dining cars. And the food is darned good.

And from the Hotel I learned that the Hotel Industry is working hard in the face of increased costs and labor difficulties to raise its standards, is engaging in extensive research, and like the railroads organizing schools and training programs for all personnel that comes in contact with the public.

You can keep your good old days.

Jobs Upon A Time

Clerking, farming and teaching were the jobs Senator Kenneth D. McKellar took to put himself through the University of Alabama in three years. He was graduated at the head of his class with both a bachelor's and master's degree. He got his law degree one year later and, at 23, McKellar opened law practice in Memphis. He moved to Washington in 1911 to fill an unexpired term in Congress, to which he was re-elected in 1913.

Among the many American girls who have made good in grand opera, Helen Jepson is a bright, particular star. Helen was born in Titusville, Pa., but moved to Akron, O., in early childhood. She loved music, but the family finances would not permit study. When Helen was graduated from high school, however, she got a job in the record department of a music store. She also sang in church choirs, and with this money financed her musical education.

After Vacation
Most of these gardens need cultivation and care long after the school vacation begins. The best moral values to be gained by the child from this garden usually comes during the vacation. He must have a strong interest and self-drive to care for it faithfully then. The wise parent on the next week after school begins to plan the summer begin to cultivate his interest and self-drive. More frequent visits with the child to his garden and more help given him then may be very effective.

Even so, a good many children will neglect this school garden during vacation, and when they do, their moral loss may be very serious. If skillful methods at persuasion fail you should require your child to care for his school garden during summer. Check on it at regular intervals.

Likewise require your child who has a home garden plot to care for it properly. In case it is a very small plot he should also be required to help care for the family vegetable garden, in case he is over six or seven. Very well, of course, if you can persuade him to offer such help regularly. But most parents should not figure on mere persuasion as workable. They should require the child to do such (other than with the tongue) to jobs about the home and find ways (Continued on Page Five)

THE MAYFLOWER
A vessel intimately connected with American history for a quarter of a century is now a lowly tramp steamer in the Mediterranean trade. She is the Mayflower, famous as the floating White House during the terms of six Presidents and a veteran of three wars.

The Mayflower was built in Glasgow in 1896, acquired by the Navy for \$430,000 and fought in the Spanish-American War. In 1902 she was taken over as presidential yacht, being used in that capacity by Presidents Theodore Roosevelt, Taft, Wilson, Harding, Coolidge and Hoover. President Hoover turned the ship over to the Navy in 1929 as an economy measure.

In World War I the Mayflower was a sub chaser and she did similar duty in World War II. Burning at a Philadelphia dock in 1931, she was raised and refitted for naval duty. Later she was owned by the Maritime Commission but, after burning again last year, she was finally sold to private mariners.

Much history was made on this ship, but anyone seeing her now who was formerly connected with her would have that feeling of nostalgia evoked by revisiting a former home where only ruins meet the eye and sadden the memory of a former grandeur.

STILL WORK FOR CONGRESS
It is reassuring that Congressional leaders are facing the fact that, with political conventions only a short time off, there is still much legislative work to be done.

On a few major questions Congress has demonstrated that it can get down to work and adopt needed legislation with a minimum of delay. But the list of measures still awaiting action is long and covers such vital matters as housing, the draft, reciprocal trade pacts—and of prime concern to housewives—oleomargarine taxes.

Speaker Martin appears to be leaning toward a plan to have Congress come back between the Republican and Democratic conventions, and then to remain on call of the majority leaders throughout the rest of the year. His first move, and that of Senate leaders as well, ought to be to try to inject a little speed in disposing of questions already fully thrashed out in committees.

There is nothing particularly new or wrong about the interest Congressmen have in political matters in an important election year. The members will find it the best kind of politics if they put first things first and make sure that essential bills are passed before they adjourn for the year.

TELEVISION AHEAD!
The nation now boasts of twenty-three television broadcasting stations and the number is expected to double by the end of this year.

Seventy stations have been given construction permits and about 18 other applications are on file with the Federal Communications Commission.

So far, it is estimated that there are close to 300,000 receiving sets, with half of them in and around New York City. However, television is expected to spread throughout the nation, with the speed depending in part upon the charges for coaxial cable lines and by the possible development of mountain-top micro-wave relay stations.

Those familiar with the markets say that the manufacturers expect to sell thousands of sets during the next two years. They say that the fast-moving process has been speeded up by the decision of the FCC to give the industry the go-ahead signal for black and white broadcasts and putting the damper on color broadcasts.

RELICS of by-gone days

The rusty hand pump has just about disappeared from the farm. Like the wood-burning stove and the kerosene lamp it has been replaced with a modern, electrical "work-saver". Farmers everywhere are now enjoying many comforts that used to be available only to city dwellers.

In fact, Pennsylvania Power is serving directly over 98 per cent of the farms in this area. And farm men and women are using their electric service effectively,

too. The average farm customer in our area uses two-thirds more electricity than the average farmer in the rest of the country. The farmers in this area are progressive. Then, too, our farm electrification policies over the years have done much to make electricity of greater benefit to our farm customers.

We are proud of the progress of farm electrification in the area which we serve.

make their requirements effective. Often it will help the child to have a written schedule to be followed reasonably. Though rains may interrupt this schedule, having no approximate schedule encourages his neglect.

At the home or farm where there is much outside work to be done, a few skillful parents will be able to win the child to choose to share reasonably in this work. But most parents won't. Neither will many parents in the urban home win the child of school age to choose to help.

Unfortunately, most parents sup-

pose they should be so clever as to be almost unable to keep the child from helping about the home, thanks to the silly counsel of so many impractical writers. What most growing children are missing in character education at home today is being made to do regularly about the home many jobs they would rather not do. Why bring up children to be drones and parasites? (My bulletin, "How Teach Child to Help at Home," may be had in a stamped envelope by writing me at 235 East 45th street, New York, N. Y.)

State Police Say:

Don't think the train has passed because you can see it's tracks! The motor vehicle laws provides that all drivers must stop when a signal indicates the immediate approach of a railroad train. Such signal might be given by a flashing light, a bell, semaphore, or any signal usually found at railroad crossings. All buses, school buses, and vehicles transporting explosives or inflammables must stop before crossing a railroad track even though there is no warning signal at the approach to the crossing.

Good Taste

By FRANCINE MARKEL

"My daughter will marry at home. Please tell her how she should dress—how many attendants are permissible—whether she might have ushers. I think that since it will take place at home she should dress informally."

Answer: She may dress as a bride and have "all the trimmings" that she would have in a church wedding—a queue of bridesmaids and ushers, although ushers are not essential in a home wedding as they are in a church wedding.

Should she decide to dress informally, she may correctly have only two attendants—a maid or matron-of-honor and a best man. Bridesmaids are correct only when the bride dresses in traditional attire.

Question: I am in doubt as to whether or not I should attend the wedding, the invitation to which was given to be verbally, with the excuse that the bride had run out of invitations. Since I do not know her very intimately, I feel that I should have a written invitation, although I do think she was sincere in asking me to attend. What is your opinion?

Answer: It does seem rather odd that the bride should exhaust her supply of invitations, especially before she had reached the "not too close friends" on her list. An invitation from the bride, however given, entitles you to attend, especially so in your case since you say she was sincere and not including you as an afterthought.

You must, of course, send her a gift.

Question: What should the groom and best man wear at an afternoon church wedding?

Answer: At a formal wedding formal daytime dress is necessary—cutaway coat with striped trousers, either black or for a Spring wedding, a white or sand-color waistcoat, black silk socks, black calf (preferred) or patent leather shoes (with or without spats). If chosen, they must match the gloves, bow or four-in-hand tie, white wing collar, white chambray gloves (if any).

The bridegroom, all of his attendants and the bride's father should be dressed alike. This is correct attire whether the bride wears white and a veil or formal afternoon clothes and a hat.

Present your problems to Miss Markel who will promptly send personal replies to questions from readers inclosing stamped, addressed envelopes.

WASHINGTON CALLING

(Continued from Page Four)

used" by Communist political organizations, the bill sets forth, is "the inciting of economic, social and racial strife and conflict." It is not hard to see how the power granted to the Attorney General could be stretched to cover any organization or individual advocating social or economic change of any kind.

Here, in my opinion, is the essence of the danger. The power granted the Attorney General would not have to be stretched very far to cover organizations proceeding in a wholly American way to advocate reforms that might not be popular with the majority or with powerful minorities. Judicial review is provided, but this remedy would come after an organization had been publicly branded as Communist.

Before this can appear in print, the bill may be amended. But in the opinion of many who have studied it, no amount of amending can remove the danger to freedom inherent in it, nor will amending make it constitutional.

Pharmacists, like doctors, know medicine best. Thousands of druggists of high reputation, who now sell Geo-Mineral, report amazing results by its use.

Rich Red Blood
MEDICAL records show 65% of men and women over 35 suffer from nutritional mineral-iron deficiency. When you feel tired, listless, have dizzy spells, no ambition to work or play, a poor appetite, when your eyes lack that bright spark, when you feel a general weakness, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry weighing you down, it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

Wonder Minerals
YEAR after year, people rush to mineral springs and spas, to drink and bathe in their miraculous waters. We have all heard of the wonderful springs of Lourdes, France, and famous Thionville in ancient Greece where, according to legend, Hercules, the god of eternal youth and strength, drank its waters and bathed to be forever young.

Wonder Minerals
GEO-MINERAL contains minerals found in the world's best springs. Watch the results a day or two after using it. The housecleaning it will do in your body, the poisons it will bring out. When you use this, do not get alarmed—Thank Nature who created GEO-MINERAL as a sign that the medicine is working on you, and realize its value.

Wonder Minerals
GEO-MINERAL is not a physic, it does not interfere with the foods in the stomach. It cleans and purifies the intestines thoroughly, relieving gas, toxins, acids, and bloating. After these poisons are out of the system, and the kidneys purified, we begin to feel the arthritis, rheumatism leaving as Nature starts to complete the recovery.

Large Attendance At Guest Day Conservation-Garden Luncheon

Beautiful arrangements of mixed spring flowers, day lilies, columbine, iris, and honeysuckle graced the tables in the dining room of the First U. P. church Wednesday afternoon at one o'clock for the guest day luncheon given by the Conservation-Garden department of Woman's club. Pansies and branches of greenery centered the lengths of the tables where covers were laid for 94.

Mrs. Carl Ginkinger, of Youngstown, as the principal speaker, talked on "Korea." Mrs. T. M. Shaffer, department chairman presided, and introduced Mrs. John E. Elliott, who in turn presented Mrs. James A. Rugh who sang three delightful selections accompanied at the piano by Mrs. Paul Welsh.

Concluding the program in the dining room before adjournment to the assembly room for the main portion of the program, Mrs. John D. Ingham read an original poem, "Prayer for Peace." Mrs. Raymond F. Horchler, program chairman for the day, introduced Mrs. Clifford Taylor, of Pittsburgh, a guest, who was the principal speaker at a Lawrence County Federation meeting some years ago.

Also introduced was Mrs. Andrew Dietterle, new chairman of the

**BETA SIGMA PHI
MOTHERS GUESTS**
Pennsylvania Epsilon Gamma chapter of Beta Sigma Phi honored their mothers at a tureen dinner at the Y.W.C.A. on Wednesday evening.

Miss Judith Wilkenson, soprano, and Miss Ruth Temple, accompanist, both of Westminster, opened the program with Schubert's "Ave Maria." Invocation was given by Mrs. Lester McClelland.

Toastmistress was Mrs. James Ueber. Mrs. Howard Frew, president of Epsilon Gamma extended a welcome to the guests.

A short biography of Anna M. Jarvis founder of Mother's Day and a review of the history of Mother's Day was given by Mrs. Donald Copson.

Mrs. John Thompson gave a tribute to the American women. Miss Carolyn Holub of Westminster College entertained the group with two violin solos: "Romance" by Wieniawski and "La Gitana" by Kreisler, accompanied by Ruth Temple.

Principal speaker of the evening was Mrs. John E. Elliott who spoke on the need for a trained child welfare worker in Lawrence County.

Miss Wilkenson accompanied by Ruth Temple sang "God Left Only You" and "If I Were Seventeen" a folk song.

The group then heard a few remarks by Miss Gwendoline Rowlands of South Wales who is visiting in this country with friends and relations. With Miss Rowlands is Miss Gwendolyn Jenkins also of South Wales.

Ritual closed the program.

**JUNE DATE FOR
WEDDING CHOSEN**
Miss Calista Smith, daughter of Mr. and Mrs. E. J. Smith, of 30 Spring street, has chosen June 5 as the date for her marriage to Benjamin P. Taylor, son of Mr. and Mrs. Benjamin F. Taylor, of 317 North Beaver street.

The wedding will take place in the morning at 10 o'clock at an open church ceremony in St. Mary's church.

"The Prince" by Machiavelli is to be selected for this evening with Aaron Cohen as the leader.

CUB KILLER

MARCA III. (INS)—P. J. Halliwell killed six wolf cubs on a farm near Maroa recently and netted a bounty of twelve dollars from DeWitt County officials. Halliwell said he noticed the mother of the month-old cubs leave her den so he "took advantage of the situation."

Around Hollywood

By FRANK NEILL
 (International News Service Staff Correspondent)

HOLLYWOOD, May 20.—(INS)—If Ray Bolger ever tires of dancing he can turn to authoring, with such fascinating titles as "How To Win Wives and Influence Mothers-in-Law."

Bolger—one of America's best-known exponents of the dance—never won but one wife or influenced but one mother-in-law. But he held them both.

And that's the point. One is enough, he says—if you get the right one.

Be Honest

The dancer's secret of success with his marriage—since 1929—is this: "Be honest, even when it hurts. And only have one career in the family."

When the lean and youthful Bolger met the beautiful and talented Gwendolyn Richard of California she was on her way with Ziegfeld. But the clever Bolger sold her on the idea of giving up her musical career and taking him on as a full-time job.

Marriage A Career

She did—and made a business of making their marriage a success.

Bolger—currently playing the dancing role of Jack Donahue in Warner's "Silver Lining," the life of Marilyn Miller—said today: "Every town we played became home," because Gwen was with me, and she set up housekeeping. We always rented an apartment and had home cooked meals, even in overnight stands."

The 44-year-old dancer points with pride to another lasting theatrical marriage, in which the bride gave up her career to make a home—that of Vera Teasdale and Adolphe Menjou.

He said: "We met the Menjous on our honeymoon in 1929, on the boat to Europe. Vera was a fine actress, but she cared more about being a successful wife. She was a good example for Gwen."

Playing Donahue

Bolger is probably the best-known dance satirist today, and the role of Jack Donahue gives him plenty of opportunity to prove it. He's pleased over his selection, because he knew Donahue "back when." And he's also pleased because:

"When I first started out, back

home in Boston the newspapers called me 'Boston's Jack Donahue.' Then they promoted me to 'Boston's Ray Bolger.' Now they can dub me double."

Bolger enjoys dancing with pretty June Haver as Marilyn Miller. He said the only time he ever danced with the real Miss Miller was once—in her kitchen in New York.

Texas produces about 42 percent of the nation's oil.

Conferees Favor Women Serving In U. S. Armed Forces

WASHINGTON, May 20.—House and Senate conferees agreed Wednesday on a compromise bill permitting women to serve in the regular army, air force, navy and marine corps.

For the army and air force, the bill continues the Women's Army Corps, which would terminate June 30 if no legislation were passed.

Without the new bill, the navy would continue to have women officers and enlistees, but only a

reserve status. Technically, the navy women no longer will be Waves, but regular navy personnel.

Under the compromise bill, which scraps the House plan of leaving women in reserve status, two percent of the armed services will be women—about the same number as at present. It provides for the following strength: Army, 600 officers and 10 enlistees; air force, 400 officers, 8,000 enlistees; navy, 1,000 officers and 10,000 enlistees, and marine corps, 100 officers and 1,000 enlistees.

Double the number of radio-telephone stations can be operated without interference by use of a new radio transmitter perfected at Stanford University.

To Graduate Class At Slippery Rock College On Friday

(Special To The News)

SLIPPERY ROCK, May 20.—The fifty-ninth annual commencement of the Slippery Rock State Teachers college will be held Friday, May 21. The baccalaureate service will be held in the college chapel at 10:30 o'clock with Dr. Oliver R. Floyd, priest in charge, Church of the Advent, Pittsburgh, delivering the address on the theme "Faith In Our Time". At 2:30 o'clock Dr. Floyd will

again address the graduates at the commencement exercises in the chapel on the topic "Why Will You Teach?"

Dr. Dale W. Houk, president of the college, will confer the degrees and present the diplomas. Twenty-four graduates will receive the de-

gree of Bachelor of Science in Education and 29 the degree of Bachelor of Science in Health Education.

Figures Reveal Cancer Deaths In Steady Rise

Climb Noted In Survey Made By
State Bureau Of Vital
Statistics

Cancer continues to take a heavy toll of lives in the Commonwealth each year, indicating a dire need for continuation and expansion of the American Cancer Society's program for education, service and research.

A report prepared by the Vital Statistics Bureau, State Department of Health, shows that during the past three years cancer deaths in Pennsylvania increased gradually almost every month.

During 1945 the death total ranged from a low of 1,029 in February to a high of 1,279 in December. In 1946 the figures ranged from 1,021 to 1,279 and during the year of 1947, the lowest month saw 1,089 deaths and the highest, 1,263. The figures are provisional, the bureau pointed out, and are subject to change. Final reports, in previous years indicated, however, that the provisional figures were low. This would mean that cancer deaths in the state last year may have exceeded 15,000. The number in 1945 was 13,666, while in 1946 it exceeded 14,000.

The increase in cancer deaths is resulting to a large degree because people are living longer and entering the age group where more individuals are afflicted with the disease.

CASE CONTINUED
Once again the equity suit of Mr. and Mrs. H. M. Reynolds against the Wilson Aviation Company and Penn Aero Company was continued. The case is one in which the Reynolds seek to restrain planes flying from the Parkstown Corners field from flying low over their home.

Considerable testimony has already been taken but there is much more. Judge Braham continued it until May 26.

WATER COMPANY HEARING
June 7 has been set by the Public Utility Commission for the hearing of the petition of the West Pittsburgh Water Company to abandon service in that settlement. Some time ago the company petitioned the commission asking that it be permitted to abandon service upon the grounds that it was losing money. The abandonment would handicap the home owners and industries there and the commissioners protested the petition.

Jameson Hospital Gives Statement On Scholarships

Need For Scholarships And Student Loans In Great, Nursing School Head States

Several organizations have contacted the Jameson Memorial School of Nursing in regard to scholarship loans, Mrs. Jane Geiger, superintendent of nurses, stated today, and as soon as all arrangements have been clarified, this information will be released. The hospital is in need of several outright scholarships, as well as money for loans, and Mrs. Geiger will be willing to present the matter to any organization interested in assisting in the nursing school's recruitment program.

Recently, the 1948 class voted a \$100 scholarship for use of deserving student nurses, which will pay the cost of tuition and books for two students. Hospital officials are particularly encouraged by this show of community interest and believe that the people of New Castle realize how critical the nursing situation is. Mrs. Geiger stated that the training offered provides an excellent educational opportunity for former

Army Is Taking Applications For Flight Training

Men Who Can Qualify Will Get
Training Worth \$35,000 During
Coming Year

U. S. Army Air Force will start another 12-month Aviation Cadet Training Course for over 800 potential flying officers on July 1 at Randolph Field, Texas. Applications for this training are now available at the U. S. Army and U. S. Air Force Recruiting Office, Post Office Building, New Castle.

It was announced here today by M/Sgt. Charles P. Walsh Jr. "This training" said M/Sgt. Walsh said. Applicants must be citizens and unmarried male residents of the continental United States, however, and between the ages of 20 and 26½. Cadets must have completed at least one-half the credits leading to a college degree, or be able to pass an educational examination given by the Air Force. Cadets appointed from civilian life serve for three years in the United States Air Force unless their service is terminated earlier. M/Sgt. Walsh said. If they complete the course satisfactorily, they receive commissions in the Air Force Reserve and serve the remaining two years on extended active duty as flying officers. During this period they may apply for a one-year competitive tour of duty to qualify for a commission in the Regular U. S. Air Force. M/Sgt. Walsh said there are a number of mobile Aviation Cadet psychological examining units are now touring the country to give tests to applicants for Cadet Training. Apart from this opportunity for flight training, M/Sgt. Walsh said, high school graduates who desire technical training in a field akin to aviation may choose three Air Force technical courses in which they would like to enroll, and if they enlist for three years or more they are assured of attendance at one of these. Men who are not high school graduates may also take advantage of this opportunity if they can meet prescribed educational standards.

State Planning Consultant Named

STATE COLLEGE, Pa., May 20. — (INS) — Commerce Secretary Orus J. Matthews today at State College announced the appointment of Kenneth W. Abell, of Sunbury, as recreation consultant for the state planning board, effective June 1.

Matthews announced the appointment at a meeting of the Pennsylvania Recreation Conference, devoted to recreation programs in rural areas, townships and boroughs. The position carries a \$5,040 annual salary. Superintendent of Public Recreation at Sunbury, Abell assisted in the preparation of a bill passed by the 1947 legislature defining extension education in the state to include recreation or social service for children during out-of-school hours.

Heavy Rains Slow Down Farm Work

HARRISBURG, May 20. — (INS) — Heavy rains slowed work on Pennsylvania farms during the week ended Tuesday. It was reported today by the state agriculture department. A federal-state survey showed rainfall for the period was one inch above normal for the entire state, the department said. Heavy downpours interrupted the planting of corn, and plowing for the crop barely has been started due to excessive moisture in the past few weeks. Wheat, oats and rye continued to improve, and in eastern and central potato areas more than half the crop has been planted, according to the department.

The "smear technique" is being applied to hard-to-reach areas of the body in cancer detection.

Lawrence County P.T.A. Council Meets

Program Is Presented At Y.W.C.A.:
New Officers For Year
Are Installed

Representatives of the various units of the P.T.A. of Lawrence County, enjoyed a delicious tureen dinner served at the Y.W.C.A., on Monday evening.

Mrs. Horace Allen, past president, introduced Mrs. Glenn Patterson, newly elected president, and presented her with a beautiful orchid on behalf of her local unit, Hickory Township P.T.A. Mrs. John Elliott was a special guest; Mrs. Elliott, New Castle's "First Lady" was the first president of the council, some 20 years ago.

After dinner the regular business meeting was held with Mrs. Horace Allen presiding. Reports of the Spring conference in Pittsburgh were given by Mrs. Glenn Patterson, Mrs. Carl Mason and Mrs. John Morrow. The Rose Avenue unit was presented with a Gold Seal award, Gold Leaf awards to Glen-Moore, New Bedford, North Mahoning, Oak Street, and Slippery Rock Township. These awards were given for an increase in membership over last year.

The secretary and a committee were instructed to write a letter to the Superintendent of Schools, acquainting him with the attitude of the council toward the recent report in The News concerning Parent-Teacher organizations.

Mrs. Allen gave her thanks for the cooperation of all the officers during her two year term as president. She then presented Mrs. John Elliott, who installed the new officers for 1948-49, as follows: president, Mrs. Glenn Patterson; 1st vice-president, Mrs. Horace Allen; 2nd vice-president, Mrs. Clair Rhodes; 3rd vice-president, Mrs. John Morrow; 4th vice-president, Mrs. George Pontius; 5th vice-president, Mrs. Walter Jessel; 6th vice-president, Mrs. Harold Straitwell; 7th vice-president, Mrs. Lewis Dayton; corresponding secretary, Mrs. Trevor Griffiths; recording secretary, Mrs. Roy Baynam; treasurer, Mrs. Carl Phillips.

A most entertaining program was presented by Pulaski unit. A playlet, "Pumpkinville P.T.A. Have a Meeting," was presented by pupils of the 5th grade at Pulaski School. Sandra Grell, Joanne Edburn, Bob Rice, George Liddle, Dale Davis, Nancy White, Edward Headings, Mary Rayner, Archie Rice, Carol Calderwood, Sally Cox, and Thomasena Phillips. A recitation "The Cookie Jar" was given by George Liddle, and Jean Morgan presented a piano solo "Impromptu in C Sharp Minor" by Reinhold. Sandra Grell played "To a Humming Bird" by Mrs. A. M. Virgil.

The members adjourned until September when New Bedford and Rose Avenue will present the program.

Beaver County Gets Flood Control Funds

HARRISBURG, May 20.—(INS)—A \$508,803 contract for construction of a recreation and flood control dam in Raccoon State Park, Beaver county, was the first award made today from the \$10,000,000 set aside for the program by the general assembly.

Gov. James H. Duff said the final cost would range around \$600,000 after what he called "extras" had been paid. The contract was given to the Mountaineer Engineering Co. of Pittsburgh.

He said the dam would provide 105 acres of water space in the 5,500-acre park. Work will be started immediately, he added.

**FOUR LOCAL YOUTHS
TO BECOME JEWELERS**
Four New Castle young men who are attending New Castle Jewelers' Training School, 226 Pearson street, will receive their diplomas as jewelers on June 2, it is announced.

The four local graduates on that date include: Robert Atwell, 503 Spruce street; Clair Gibson, R.D. 1, Edenburg; John Iwajenki, 1005 North Cedar street and Ralph Williams, 510 Canyon street.

WILLING WORKERS MOTHERS DAY EVENT

Willing Workers class of the Reorganized Church of Jesus Christ of Latter Day Saints met in the home of Mrs. W. G. McCune on Grandview avenue for a mothers day dinner on Tuesday evening. Tables were set in "T" fashion, decorated with purple and gold linens.

Mrs. W. G. McCune as program chairman presented the following program:

A letter, "She Was a Wonderful Mother," read by Mrs. Edward Ryhal.

Other poems and readings by Mrs. Sara Blase of Ellwood City, Mrs. Lamont Ryhal, Mrs. Fred Scitell, Mrs. Lillian Abbott, Mrs. John Biddle, Mrs. McCune, Mrs. Flora Davis and Mrs. Bessie Schibik.

Out-of-town guests were Mrs. Lillian Abbott of West Newton, Mrs. Blase and Mrs. Howard McDowell of Transfer.

Oldest mother present was Mrs. Laura Double, the youngest mother and daughter, Mrs. Fred Scitell and baby Linda Lee, mother coming from the greatest distance, Mrs. Lillian Abbott.

Aides to the hostess were Mrs. Blase and Mrs. L. Ryhal.

Six O'Clock Dinner Club. Mr. and Mrs. Frank R. Doyle, East Morton street, were hosts on Wednesday evening when the Six O'Clock Dinner club was entertained at dinner in a local tea room.

Following dinner, the group went to the Doyle home, where contract bridge was enjoyed. High score trophies were awarded to Mrs. Ralph Carlson, Mrs. John Morgan and Dr. G. S. Jenkins. Later Mrs. Donald McClure aided the hostess in serving a tasty lunch at a prettily appointed table, centered with garden flowers.

Dr. and Mrs. G. S. Jenkins of Grandview avenue will receive the club in their home on Wednesday evening, June 16.

NAPLES-McCORMICK CHURCH WEDDING

At an impressive ceremony in the Second U. P. church at 6:30 the evening of May 15, Miss Josephine Naples, daughter of Mr. and Mrs. Frank Ferro, 201 Cascade street, became the bride of John A. McCormick, son of Mr. and Mrs. Harry L. McCormick of 3 Katherine street.

Rev. J. Calvin Rose, pastor, officiated with a double ring ceremony at a candlelight service. The bride was given in marriage by her brother, Anthony Naples.

The bride was lovely in a gown of ivory slipper satin, made with shirred bodice, with yoke and Bertha collar of Chantilly lace, her floor length skirt ended in a circular train and fell from a crown of orange blossoms. She carried an arm bouquet of white sweetheart roses, with satin streamers knotted with flowers and fern. Her only jewelry was a strand of pearls and matching earrings, a gift of the groom.

Mrs. Robert Probst, sister of the groom, as matron of honor, wore a gown of pastel blue taffeta, with lace yoke and fitted bodice and ballerina skirt with blue lace mitts. Her arm bouquet was of pink larkspur and carnations, and she wore a halo of pink sweet peas.

Robert McCormick, brother of the groom, was best man, and ushers were John Habib, uncle of the bride, and Robert Probst, brother-in-law of the groom.

Appropriate nuptial organ music was played by Miss Lillian Ryhal, prior and during the ceremony. Miss Madeline Reinhardt sang "Because," "I Love You Truly" and "The Lord's Prayer."

After the congratulatory period in the church, a dinner was served to 30 guests in the groom's home. An open house reception was held in the evening and refreshments were served. Later, the couple left for a honeymoon to an undisclosed destination. Upon their return they will be at home in their newly furnished apartment at 337 East Washington street.

The bride made her home with her aunt, Miss Lucy Masone, 8 Katherine street. The bridegroom

is a veteran of World War II and is now employed at Shenango Pottery plant.

ELLA RINGER'S BETROTHAL TOLD

Mrs. Paul J. Ringer of 919 Warren avenue, announces the engagement of her daughter, Ella Margaret Ringer, to Howard W. Brest, son of Mr. and Mrs. David A. Brest of Waimo.

Miss Ringer is employed in the traffic department of the Bell Telephone Company, and Mr. Brest is a student at Youngstown College. No date has been set for the wedding.

Mademoiselle Club Meets. Mademoiselle club met Wednesday evening in the home of Mrs. Anne DeCaprio of 825 East Lutton street. Tables of 500 were in play. First prize went to Mrs. Edna Tezone. Special guests were Mrs. Edith DeCaprio. Lunch was served by the hostess, assisted by Mrs. Violet Sanford.

Next meeting will be June 3 at the home of Mrs. Betty Tezone, 1020 Winslow avenue.

A wedding breakfast in the bride's home, and dinner for 70 and reception for 400 followed afterwards.

Mr. and Mrs. Yacabone departed on a wedding trip to Washington, D. C., and upon their return will reside at 404 North Cascade street, this city. Mrs. Yacabone was formerly employed at McKelvey's in Youngstown. Mr. Yacabone is affiliated with the National Tube company, Ellwood City. He also served three years with the U. S. army.

CHILD CIRCLE HAS YEARLY ELECTION

Child Development circle was entertained Tuesday evening in the home of Mrs. Donald Copson, Leasure avenue.

Officers elected for the coming year are: president, Mrs. Charles Phillips; vice-president, Mrs. Donald Copson; recording secretary, Mrs. A. L. Hoffmaster; corresponding secretary, Mrs. Russell Johnson; and treasurer, Mrs. Robert Houk.

Children's night was observed with a special program. Marnie Houk offered "To a Humming Bird" by Mrs. A. M. Virgil as a piano solo. Other piano selections presented follow: "Malaguena," Jean Lecuona, by Jean Boslick; "On the Holy Mount," Devoroux, Susan Glenn, and "Hop O' My

Thumb," Burton, Peggy Copson. Mrs. Copson and daughter also pleased with "Cheerio", Bradon, as a piano duet.

Each member of the circle gave a brief resume of a best-seller book. During the business session, conducted by Mrs. Arthur Alexander, president, plans were made for the group's annual dinner on Tuesday evening, June 15, at the Manse, New Wilmington.

Dainty refreshments were served at the evening's close by the host-

ess with Mrs. James Campbell as an aide.

To Meet Friday. Augusta Statzer lodge No. 371 will meet Friday evening at 7:30 in the Y. W. C. A.

One of the first stonks to be used as a decoration was the carnation. People of ancient times believed the reddish quartz protected its wearers from weapons and evil spirits.

Striking Meat Packers Voting On Next Action

CHICAGO, May 20.—(INS)—Nearly 100,000 striking members of the CIO Packinghouse Workers Union start balloting today in meat packing centers of the nation to determine whether their 66-day-old walkout should be terminated or continued.

The voting, which will continue throughout tomorrow, will take place at mass meetings at which union leaders will report the latest developments and the final offer made by the big four packers—Swift, Armour, Cudahy and Wilson.

The strike started last March 16 following the breakdown in wage negotiations. The union had demanded a raise of 29 cents an hour but agreed to accept the packers' offer of 9 cents an hour on the condition the remaining 20 cents be submitted to arbitration. The strike was called when the packers rejected the proposal.

TOO MANY TAG DAYS
PITTSBURGH, May 20.—(INS)—The City of Pittsburgh considered today clamping down on tag days.

Safety Director George E. Fair-

ley said that tag days are becoming so numerous that they are getting to be "a sort of a headache."

The safety director said that

there were five tag days in April, that permits have been issued for 10 more in May, and that there are five applications for permits for June and nine for July.

Duff Approves Allocation Fund In Pennsylvania

Funds Assured For Five Combination Flood Control And Recreation Dams In State

HARRISBURG, May 20.—(INS)—A \$5,900,000 allocation approved by Gov. James H. Duff assured funds for five combination flood-control and recreation dams in Pennsylvania.

The money, allocated from \$10,000,000 appropriated to the Department of Forests and Waters last year, has been earmarked for the following dams:

- (1) Little Pine Creek near Waterville, Lycoming county, \$2,800,000.
- (2) Shawnee branch of the Juniata river west of Bedford, \$1,200,000.
- (3) Whiteley creek south of Mazon town, Green county, \$655,000.
- (4) Tioga county (site undesignated), \$645,000.
- (5) Ricketts Glen State Park, Luzerne county, \$600,000.

Impounding Basin. Allocated earlier was \$595,000 for an impounding basin at Raccoon creek in Beaver county in conjunction with development of a park and \$186,000 for Chapman's dam at Warren. An undisclosed sum was considered for a dam on Roaring run near Ebensburg, Cambria county.

The dams will be located on small feeder streams and add to flood hazards. The federal government is handling flood control on large rivers.

The park improvement program was bolstered by transfer of \$394,320 from a \$3,000,000 balance of a 1945 appropriation.

The program includes development of five federal recreation areas. They included Raccoon creek, Laurel Hill and Blue Knob.

LADY DOG-CATCHER DOESN'T USE NET

FARMINGTON TOWNSHIP, Mich.—(INS)—Mrs. Marguerite Green of Farmington Township, Mich., not only has an unusual job but she has an unusual way of doing it.

The 24-year-old pretty native of Quebec is a lady dog-catcher—and she doesn't use a net.

Mrs. Green, who weighs only 98 pounds, explains in her French-Canadian accent:

"Zere is no use to use zee net." She points out that if you can get close enough to get dogs with the net then you are close enough to grab them with your hands.

Mrs. Greene was assistant to a veterinarian before she was appointed to the dogcatching job.

However, the comely lady dog-catcher has one problem. She wants to keep most of the dogs she captures for her own pets.

RADIO CONGRESS STOCKHOLM, (INS)—An international radio congress will be held in Stockholm in July, at which the allotment of wave length among the various countries in the world will be discussed.

This meeting is a continuation of the international radio congress that was held in Atlantic City, N. J., last summer.

YOU KNOW HOW

I believe it's true Mrs. Housewife. You are generally known to be the smartest and best shopper. With ability, experience and the know how of managing the food budget.

I don't see why anyone would think of telling you how or where to spend your money. Eggs are eggs, some you can't hatch, let alone eat, but they are sold as eggs.

The proof is the eating of any food not how much but what am I getting? Get the right steer and gain in two ways by buying tender cut meat. No. 1—it's built in flavor—No. 2 you lick the platter clean. It tops them all, it's the meat of the platter and besides my meat men never use one finger on the scales.

Why do merchants have to "blow off" about how good their food is? We let our customers do that and I mean they really tell us. They cannot see how we can sell such foods and stay in business.

Just a sample of what money saving values you get when you shop here. Compare—be thrifty!

Snow White Marshmallows—no taste, no waste, 10-oz. pkg., 15c.

The best beans are grown in the north. Try 2 pounds of Great Northern! Fine cooks or bakers; 2 lbs., 35c.

Why eat green olives when you can have ripe ones? Tall can costs but 16c.

If you are plum full of preserves don't buy this plum preserves. It's pure. 1 lb. jar, 2 for 29c. 8-oz. Evaporated Apples equals 4-lb. fresh apples. Peeled, cored, sliced, wormed. *No waste, 2 ukg., 19c.

Going fishing? Take along a can of Star Kist fancy tuna fish, 39c. Or if you care for smaller fish, Sardines, in oil, sell at 10c a can.

Tomatoes are still too expensive to can but I have plenty of them in cans. It's a No. 2 can containing 16-oz. Selling 2 for 27c.

You always find fresher produce at Brennenman's with the garden fresh flavor.

New Red Potatoes, U. S. No. 1, large, 10 lbs., 49c.

U. S. No. 1 old potatoes. No wrinkles, good eyes, 15-lb. peck, 65c.

Good Tomatoes are here—ripe, solid and red—25c lb.

Don't buy carrots to cut your food budget! Fresh Calif. green tops are low in price, 15c bunch. New green cabbage, lb., 5c.

If you wish to be stuck up why not try our Pastry Flour—5 lb. sack, 35c.

The best in Peanut Butter at any price. Peter Pan—won't stick to your roof—peanut butter—12-oz. jar, 32c.

For a good can of fruit try Diced Peaches and Pears. Calif. pack. 29-oz. can, 2 for 45c; in heavy syrup.

Your choice of fancy fruit, large can, in syrup, peaches, apricots or plums. Large can, 2 for 39c.

The coffee that has what it takes. Every housewife knows the joy of serving better coffee, with the sealed in flavor, always wild and wooley. Taste its distinctive flavor. Ding Dong Coffee, 3 lbs., \$1.16. Ground fresh to suit your taste.

It's easy to have Green Beans. They're stringless. No. 2 can. 2 for 25c.

Bleach 'em out with Clorox at 15c full quart.

The price of Royal Ann Cherries for a large can is now only 39c or 2 for 75c.

There is no harm in trying to find better food values than I offer but where would you look to start. Low every day prices are nothing new in prices.

How high are low prices? Yes, every day low price of 2 for 10c or at the new low price of 2 for 5c apiece. Yes, what savings. Why not try to pay more?

Have subject to stock on hand when you arrive one extra parking space in customers' parking lot.

The Fiery Test of Moral Courage

Highlights On The Sunday School Lesson

By NEWMAN CAMPBELL

Courage, both moral and physical, is more necessary in the world today than ever before. Fear is rampant. Nations and ideologies are opposed in this modern world, and all peoples fear the future. Fear is the most primitive of all emotions. It is felt by animals and men alike.

However, courage also is inborn in human and also in the animal world, and is the most admired of all virtues. To call a man "yellow" or cowardly, is the final insult. Moral and physical courage are the hope of the world, for our leaders and for the common man. With wisdom coupled with courage our problems can be worked out and the world become a place of co-operation and security.

In the time of which we are studying, when the Jewish people were exiled to Babylon, they suffered from terror, too. If anyone dared disobey the whim of a tyrannical king, who had absolute power of life and death, he might be killed in the most brutal manner. If he dared enemies, he was in grave danger of losing his life, which was indeed a cheap commodity in those days. High moral and physical courage was needed to do what one knew was right, regardless of circumstances.

Nebuchadnezzar, king of Babylon, who conquered Jerusalem and took its king and people captive, ordered his master of eunuchs to bring to the king's court four Jewish boys who were well born and comely, to be brought up to learn the Babylonian language and to be educated in palace routine.

The four chosen were Daniel, Hananiah, Mishael and Azariah. Their names were changed to Belshazzar, Shadrach, Meshach and Abednego. Now the food and wine served at the king's table was not what Hebrew youths were allowed by their religious law, so Daniel told those in charge over him. He begged that he be not made to defile himself, and finally won permission to live on pulse (a sort of porridge) and water for 10 days to prove that he

and his friends were better physically and mentally on that fare.

When the 10 days were up their guardian saw that the Jewish lads were fuller of face and fairer than the other boys, and when the king called them before him he found that no one at court could equal Daniel, Shadrach, Meshach and Abednego in wisdom and understanding.

Nebuchadnezzar made a golden image and decreed that all his people must bow down before and worship it. Everyone did but the Jewish youths, Shadrach, Meshach and Abednego, and when the king was told of this he was furious and ordered them thrown into a fiery furnace. The three were bound and cast into the furnace, where they sang and glorified God, not being harmed. When the king saw that their courage was rewarded by this miracle, he acknowledged their God was all-powerful and promoted the three to places of honor.

In the reign of Belshazzar Daniel told that king that he was living sinfully, but Daniel was rewarded, nevertheless, by being clothed in scarlet and having a golden chain put about his neck.

When Darius came to the throne Daniel was high in his favor. Daniel had enemies in the kingdom, however, who conspired to destroy him. They consulted together and decided that only through his religion could they bring this about. They persuaded the king to sign a decree that anyone who addressed a petition to any but the king would be thrown into a den of lions.

Now when Daniel heard that the decree was signed, he went to his chamber, opened the window toward Jerusalem, and knelt in

prayer three times a day, as was his custom.

This was told to the king, and very reluctantly and sadly, the king ordered Daniel thrown into the lions' den. That night the king could not sleep, and early in the morning he hastened to the opening of the den which he had sealed the previous night with his own seal, and called to Daniel: "O Daniel of the living God, is thy God able to deliver thee from the lions?"

Daniel replied: "O King, my God hath sent His angel, and hath shut the lions' mouths and they have not hurt me." The astounded king looked and saw that the miracle had indeed occurred.

Darius then made a decree that in every dominion of his kingdom men should tremble and fear before the God of Daniel, for "He delivereth and rescueth . . . and delivered Daniel from the power of the lions."

THE RISER REVERSES JOHN ALDEN LEGEND

CLEVELAND—(INS)—If you've got a risk and some money Robert "The Risker" Russell, 21-year-old Cleveland navy veteran, will be glad to take both off your hands.

Russell, a sophomore at Cleveland college, is finding his Personal Services Concern, the handling of business too hazardous for others to handle themselves—not only interesting but also profitable.

Since the start of his business, Russell estimates he has earned an average of about two dollars an hour in his spare time.

His early assignments were misleadingly simple. First he was hired to drive an automobile to Detroit during particularly slippery weather. Once he had to rescue a cat from a rooftop.

His assignments began to get more exciting as soon as "The Risker" extended his services to a girl who asked him to convey an engagement ring and the message "It's off" to a young man's home.

"I should have turned it down," Russell admits ruefully. "He threatened to throw me out of the house."

CONVENTION-HAPPY

SALT LAKE CITY—(INS)—Salt Lake City is out to hang up a record in 1948 for the number of conventions held in the Bee-

hive capital in any one year. Mrs. Winifred P. Ralls, manager of the Chamber of Commerce convention bureau, says 242 major meetings are slated for Salt Lake

City, more than any previous year in history. Of these, 27 are national, 44 regional and 171 state conventions.

Studies carried on in 1947 showed that the Pacific shoreline once stood along a line running from western Montana to the vicinity of El Paso, Tex.

Rabbi Gruen Is Kiwanis Speaker

Pastor Of Temple Israel
Speaks On Responsibilities
In Post War
World

KIWANIANS TO VISIT BUTLER

Dr. Iwan Gruen, rabbi of Temple Israel, addressed his fellow Kiwanis club members at their noon luncheon meeting in The Castleton on Wednesday when he spoke on the subject "Our Responsibilities".

Dr. Gruen stated that the period following a great war is always one of chaos, and that a tremendous job still lays ahead of the world, in spite of the fact that the war has been over for more than two and a half years.

A cultural revival of the human mind and soul is needed, Dr. Gruen stated. Barbarism must be curbed, and our economic problems must be worked out. People must be convinced that there are other ways of earning a living than in the pursuits that war brings.

The present day world is living in a state of neurosis, he stated. People are seeking peace of mind and finding it difficult to attain because of their fears. Man must train his soul as he trains his hands, his feet and his brain to regain a happy balance and that peace of mind for which he is seeking.

Quoting the scriptures, he stated that the earth is the Lord's and the fullness thereof. That the earth was not made for any one race of people but for all, who were made in the image of God.

In conclusion, he stated there will be no peace between nations until they find a way of living in harmony. The responsibility is a moral one.

It was announced by vice president John McGrath that an inter-club meeting will be held in Butler Monday evening, May 24, in the Nixon hotel at 6:15, when District Governor McNeely will make an official visitation, and a number signed up to attend from the local club.

ARAB ARTILLERY SHELLS HOSPITAL IN JERUSALEM

(Continued from Page One)

Jewish troops battled desperately against an onslaught by forces of the Trans-Jordan Arab legion to seize all of Jerusalem.

The Cairo newspaper Al Ahran reported that Trans-Jordan's King Abdullah told Arab military leaders at Amman that Jerusalem is being converted by the Jews into a "second Stalingrad."

He was said to have declared that the Jews are refusing to surrender and are turning their homes into strongpoints of resistance.)

Occupancy Settlements

DAMASCUS, May 20.—(INS)—Occupation of two Jewish settlements in the State of Israel was announced today in a Syrian communiqué.

The communiqué said that Syrian forces have seized the settlements of Masada and Shaar Hakila, three miles south of the frontier railroad station of Samakh, at the southern tip of the Sea of Galilee.

Masada and Shaar Hakila were occupied after Syrian artillery destroyed the forts between the settlements.

Thirty Jews were reported killed in the fighting for the settlements. The communiqué said that Syrian losses were slight.

Capture Is Claimed

CAIRO, May 20.—(INS)—The Egyptian defense ministry claimed today the capture of Deir Sneid, eight miles north of Gaza, in western Israel.

The claim was made in a special communiqué which also confirmed the capture of Beersheba, 26 miles southeast of Gaza.

The communiqué said that Deir Sneid was taken after ten hours of continuous fight. The Egyptian army was said to have overcome strongly fortified positions, surrounded by barbed wire and minefields, and heavily armed Jewish fighters.

The capture of the town was viewed as of utmost importance, since it advanced Egyptian troops on the road leading to Tel Aviv, only 32 miles away.

New York Stocks STOCK MARKET TREND IS FIRM

Volume Somewhat Lower Than In Recent High Trading Totals

NEW YORK, May 20.—(INS)—Stocks were firm to higher in forenoon trading today as volume declined still further from recent high totals.

Oils maintained leadership with gains running to more than a point. Mining shares showed strength.

First hour turnover dropped to 400,000 shares from the 470,000 in the like period yesterday.

Sinclair Refining rose to a new high of 28 1/4, up more than a point. Jersey Standard Oil, Texas Land Trust and Anderson-Pritchard Oil were active and higher.

Irregularly appeared in rails with Southern Pacific and Great Northern Pfd. barely firm. U. S. Steel and Chrysler edged more than a half higher as steels and motors continued quiet.

In the mining group Dome Mines advanced nearly a point. Alaska Juneau was a half better at 4 1/2. Grains were lower. Cotton eased. Bonds and curb shares were firm.

maintenance basis; hence, the entire installation cost of the system is borne by the company.

Discussed For Several Years

Discussions between Council and the company have been held for several years in connection with the rebuilding of the downtown lighting. Modern developments have superseded the old lighting methods and had not the war intervened, the new installation would probably have been made earlier. Wartime controls and post-war shortages prevented the job's being done, and not until this year have the materials and equipment for the work been readily available.

A complete changeover to the improved system in the entire "White Way" area cannot be completed until next year. The company has indicated to Council, however, that every effort will be made to do the entire job as soon as possible.

The new street lighting system, with its higher level of illumination, will not only enhance the appearance of the downtown area, but is also expected to promote greater traffic safety on the street.

Croton W. C. T. U.

Croton W. C. T. U. entertained the White Ribbon Recruits and their mothers at Croton Methodist church on Tuesday afternoon, May 18.

Mrs. F. W. Sizer conducted the program which was opened with the group singing "Somebody Cares". Mrs. James Burns read a poem, "Finding God". Mrs. T. E. McCreary spoke on "Religious Family Life". A reading was given by Mrs. R. F. Henry, and Mrs. C. F. VanHorn had as her topic, "Developing Fellowship With God". Mrs. Sizer discussed "A Child's Rightful Heritage", and Mrs. Fred Beck gave "Six Positive Steps For Parents".

Mrs. Fox, county W. C. T. U. president, as speaker, gave some stories from the life of Frances Willard and told of the work done by the W. C. T. U. The program was closed with two duets by Mrs. Marian Sizer and Mrs. Ruth Young, accompanied by Mrs. C. R. Campbell.

A lunch was served to the chil-

dren who were seated at a small table. Tea was served from a beautifully decorated table with Mrs. R. F. Henry and Mrs. J. H. McCann presiding.

The group will next meet on June 8, with Mrs. C. R. Campbell and Mrs. Robert Sheehy as hostesses and Mrs. John Wilson as leader.

Miss Ann Burton, senior psychology major at Westminster College was recently initiated into Pi Sigma Pi, national honorary scholastic fraternity.

Miss Burton is the daughter of Dr. and Mrs. Frank Leroy Burton, of 304 Euclid avenue.

Epworth Church Host To District Conference Friday

Ministers And Lay Delegates Of
Grove City District Will
Assemble For Sessions

Grove City District Conference of the Methodist church will meet in Epworth church on Friday, May 21.

Dr. Thomas H. Morris of Grove City will be the presiding officer. Among the speakers for the day will be Rev. C. A. McEntarfer, Erie Annual Conference Stated Clerk, of Erie; Rev. A. R. Hillard, Executive Secretary of the Permanent Funds, of Erie; Rev. Fred W. Hunt, Executive Secretary of Education, of Greenville; Rev. George H. Palmer, Minister of Grace church, Oil City; Rev. W. W. Gilliland of Slippery Rock, and Dr. Frank S. McKnight of Franklin.

The featured speaker for the day will be Dr. Orval M. Auner, of the Central Provinces, India. Dr. Auner has been a missionary in the so-called "jungle conference" for more than thirty years. He will speak at 4 o'clock in the afternoon and at the dinner meeting at 6:30 o'clock.

Dr. Frank S. McKnight of Franklin, who was the chairman of the Erie Conference delegation to the General Conference recently held at Boston, will give a report on some of the action taken by this supreme body of Methodism. Dr. McKnight was a member of the important committee on Journal of the general conference. Singing will be stressed at the

session. Rev. J. L. Petrie will conduct a study in the great hymns of the church at 1:30 o'clock. Rev. Howard Redmond, pastor of the Mahoningtown Presbyterian church will be the accompanist. Rev. Merle Weaver of Pulaski will be in charge of group singing at the dinner hour, when Rev. Henry J. Payden of the St. Paul's Baptist church will be guest soloist. The sessions are open to the general public and will begin at 10 o'clock, when Rev. George Myers of New Wilmington will deliver the conference sermon.

Governor Answers Critics Of State Taxation Program

Tax Increase In State From 1941 To 1947 Only 13 Per Cent, Report Shows

HARRISBURG, May 20.—(INS)—Gov. James H. Duff struck back today at critics of Pennsylvania's tax program with a report asserting that the increase in the commonwealth's tax burden from 1941 through 1947 was not as great as in other comparable industrial states.

"The increase in Pennsylvania was 13 per cent," the governor said, "which makes it number one in the country."

Other States Heavier
The report was prepared by the tax foundation of New York, an organization which Duff emphasized was "supported by big business and is entirely non-political."

The governor said "New York state's increase during the same period was 33 per cent, Delaware's was 33 per cent, Ohio's was 34 per cent, New Jersey's was 41 per cent, Illinois was 52 per cent, Massachusetts was 56 per cent and Michigan's was 67 per cent."

He said the report scotched reports that Pennsylvania's taxes had outstripped other states during the 1941-47 period.

The report also asserted that Pennsylvania has the least number of state employees per 1000 population of any state in the nation."

Truman Appoints Skipper Of Yacht

WASHINGTON, May 20.—(INS)—President Truman has appointed Comdr. John MacDonald to be the new skipper of Presidential Yacht Williamsburg.

MacDonald, a native of Dubois, Pa., and who had a distinguished war record as commander of the Destroyer O'Bannon, replaces Captain C. L. Freeman, who has been

transferred to duty at the U. S. Naval Academy, Annapolis, Md. Freeman, who skipped the president's yacht during the past 18 months, will be commanding officer of the naval station at Annapolis. MacDonald has been on duty recently in the office of the chief of naval operations at Washington.

Poultry keepers in England now fill egg shells with mustard to discourage jays from stealing eggs.

VERDICT OF \$30,000
PITTSBURGH, May 20.—(INS)—Mrs. Margaret Cheslock, of Meadowns, and her two daughters, today had an award of \$30,000 against the Pittsburgh Railways Co. granted by Common Pleas court for the death of their husband and father, Paul Cheslock.

Cheslock was killed by a streetcar on Sept. 14, 1946.

WOULD ELIMINATE PIGEONS
PITTSBURGH, May 20.—(INS)—

Peter B. Barry, of the American Racing Pigeon Union, has appealed to Pittsburgh authorities to get rid of the pigeons that hang around the Wabash Terminal.

Those pigeons, Barry said, give

thoroughbred racing pigeons a bad name.

The nation's traffic deaths dropped 13 per cent in January compared with the same month last year.

The Street and Traffic Safety Lighting Bureau reports that 84 percent of fatal accidents, 55 percent of purse snatchings, 71 percent of assaults on women and 68 percent of car thefts in 1947 occurred after dark.

THIRTEEN HURT
SALEM, O., May 20.—(INS)—William Weaver, 53, a truck driver, was charged today with reckless driving following an accident in which 13 persons were injured. Weaver's truck allegedly collided

with a bus on State Highway 68, near Salem, hospitalizing four persons.

Atomic Weapons Of New Type Are Now Developed

By FRANCIS LEE
(U. S. Staff Correspondent)

HONOLULU, May 20.—Nuclear
blasts set off during the recent
Eniwetok Atoll tests, without the
dropping of any bombs, demon-
strated the successful development
of new atomic weapons unlike
those used at Hiroshima, Nagasaki
and Bikini.

This was revealed yesterday by
Lt. Gen. John E. Hull, commander
of joint task force seven which
carried out the highly secret Eni-
wetok experiments, and by Gen.
Hull's aides.

While declining—for security

reasons—to divulge any detailed
information, Gen. Hull disclosed
that "operation sandstone" at re-
mote Eniwetok bore "no kinship"
to the 1946 Bikini experiments in
which an atom bomb was dropped
aerially and another was exploded
under water.

Hull's scientific director, Dr. D.
K. Froman, explained that the Eni-
wetok experiments consisted of "a
series of nuclear explosions car-
ried out under conditions as close
to laboratory control as we could
make them and with extensive in-
strumentation."

Maj. Gen. William E. Kepner,
commander of the air units in the
task force, said no bombs dropped
during operation sandstone, though
some 72 planes, including B-29 su-
perfortresses, were on hand.

Gen. Hull and his command
staff flew to Honolulu from the
atomic energy commission's Eni-
wetok proving grounds. Hull told
a news conference at Fort Shafter:
"These tests at operation sand-
stone were field laboratory tests
to determine the efficiency of the

newly developed bombs and other
weapons. We got our answers.
We liked the answers."

As distinguished from the pur-
pose of testing the efficiency of
new atom implements, Hull pointed
out that the Bikini operations had
been designed to ascertain the ef-
fects of nuclear explosions on naval
vessels as well as animal life on
land and in the sea.

Dr. Froman said the Eniwetok
experiments were aimed at filling
in gaps in the knowledge previ-
ously acquired at Bikini. The physi-
cist announced:

"These tests were successful in
the sense that the desired data
was obtained."

QUOTA CLUB DINNER
Members of the Quota club en-
joyed a 6 o'clock dinner at The
Castleton hotel Tuesday night
when they welcomed a new mem-
ber, Mrs. Dorothy Lowers.

On June 1 they will meet again
for dinner at the Village Inn in
Harlansburg.

CATS AND DOGS
Americans are fond of pets. We
have lots of dogs and cats.
Sometimes these animals are
treated properly and sometimes
not.

Dogs and cats are subject to
diseases. Some of these diseases
may be communicated to their own-
ers and to other people.

Dogs should not be allowed to
run at large. They should be kept
at home.

If dogs or cats get sick or have
a skin disease, they should be kept
away from people or from other
animals.

Drive slow—children move fast.

MANY NEVER SUSPECT CAUSE OF BACKACHES

**This Old Treatment Often
Brings Happy Relief**

Many sufferers relieve nagging backache
quickly, once they discover that the real cause
of their trouble may be tired kidneys.

The kidneys are Nature's chief way of tak-
ing the excess acids and waste out of the blood.
They help most people pass about 2 pints a day.

When disorder of kidney function permits
poisonous matter to remain in your blood, it
may cause nagging backache, rheumatic
pains, leg pains, loss of pep and energy, get-
ting up nights, swelling, puffiness under the
eyes, headaches and dizziness. Frequent or
scanty passages with smarting and burning
sometimes shows there is something wrong
with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's
Pills, a stimulant diuretic, used successfully
by millions for over 40 years. Doan's give
happy relief and will help the 15 miles of
kidney tubes flush out poisonous waste from
your blood. Get Doan's Pills.

Lifebuoy with its Purifying Ingredient GETS SKIN CLEANER STOPS "B.O." as no other leading soap can!

It's great to be popular! On your
job or on dates you always get
along better if you're pleasant to
have around. A daily Lifebuoy
bath gives you top protection
from "B.O."—lasting protection
24 hours a day.

**DOCTORS PROVED with 820 scientific tests
the truth of this amazing statement...**

The cleaner you get your skin, the doctors found,
the safer you are from "B.O." (body odor). Any soap
will remove all the grime and perspiration you can
see—yet leave "invisible dirt" on your skin to form
a foothold for "B.O."

Doctors compared the effects of daily baths with
different soaps. The results are amazing! When you
bathe with any other leading soap, you are simply
not as clean, not as safe from "B.O." as you are when
you bathe with Lifebuoy. After 820 scientific tests
doctors say Lifebuoy's purifying ingredient makes
the difference! And it is this same purifying ingre-
dient that makes Lifebuoy so mild.

Use Lifebuoy daily. It is made from a special oil
blend that gives you such an abundant, refreshing
lather. Remember: Lifebuoy gives you cleaner skin
... stops "B.O." as no other leading soap can!

MRS. TRUMAN PLAYS CUPID

BARCELONA, Spain.—(INS)—Mrs. Harry Truman has played the role of Cupid in bringing together a young Spanish engineer and his German sweetheart.

Carlos Olaneta met Elvira Spaeth in Munich in 1943 and the two promptly fell in love. But the war obliged Carlos to return to Spain, and the close of the conflict found Elvira in a concentration camp in the American zone in Germany.

When efforts to secure her release failed, Carlos appealed directly to the wife of the United States president.

He is happy now, Elvira has been granted her liberty so that she may come to Spain, and marry him.

FRIGHTENED ELEPHANTS

MONTREAL, Canada.—(INS)—The airplane has invaded the home of the elephants. Sir William Hildred, director general of the International Air Transport Association, disclosed recently that a request had been received from the East African Airways Corporation asking higher when flying over Uganda, Kenya, and Tanganyika. The request said that the planes, which usually fly about 1500 feet high, have frightened the elephants in those areas as well as herds of giraffe, buck and other wild African game.

A horticulturist's chance idea has developed into a practical walnut hulling process which hulls a bushel every 30 seconds.

Take First Steps For Extension Of Turnpike

HARRISBURG, May 20.—(INS)—Official blueprinting of the extension of the Pennsylvania turnpike got underway Wednesday with awards of contracts to four engineering firms to plot \$7,000,000 worth of construction. Three of the contracts covered million dollar segments of the highway which will be extended east of the Middlesex terminus in Cumberland county to King of Prussia near Philadelphia. The fourth embraced designs for a bridge expected to cost between \$3,000,000 and \$4,000,000 to carry the extension over the Susquehanna river. A three-months deadline was placed on the blueprinting so that

construction contracts can be awarded and actual building get underway by fall, according to the turnpike commission. The planning contracts covered the following highway segments: 4.2 miles in Londonderry and Conowingo townships from a point on traffic route 341 to the Dauphin-Lebanon county line. Geanett, Fleming, Corddry & Carpenter, Inc., Harrisburg; 3.2 miles in Fairview township, York county, from a point on route 24, south of New Cumberland, to the west bank of the Susquehanna river; the Capitol Engineering Corp., Dillsburg; 4.6 miles in Elizabeth township, Lancaster county, from a point near Mount Hope to a point on route 322, Michael Baker, Jr., Inc., Rochester. The bridge designing project was awarded to Brickerhoff, Hogan & McDonald, New York City. Three United States farm workers can now produce more than four could before World War II.

Special Events At Westminster

Colegians Preparing For End Of Semester: Final Exams To Start Soon
 NEW WILMINGTON, May 20.—Westminster college students are caught up in a last minute whirl of term reports and social events as they prepare for final examinations which start Monday and continue through June 2. Then comes commencement week end, June 5-7, when hundreds of former students are expected to return to the campus. Music, journalism and speech departments scheduled special events for this week. Wednesday evening, Masquers, a speech department honorary, staged a variety show at the community hall. Miss Sarah Bolcher of Central City, Pa., gives her music recital in the U. P. church Thursday night while Miss Peggy Pigman of Mt. Pleasant, gives hers at 3 p. m. Saturday in the U. P. church. Journalism students enjoyed a departmental dinner Wednesday evening in New Castle. Under a scoring system devised by Associate Professor Elizabeth Nixon, keys were awarded to outstanding students by Dr. William Thomas, head of the department. The golf team will play in a tournament at Allegheny Friday and the track team will compete in the district meet at Slippery Rock Saturday to end the athletic season. Block W, an organization of athletes, will stage an old fashioned street dance in front of the gym Saturday night to bring the social season to a close.

Mrs. Elizabeth Reed were guests at the home of Mrs. Bertha Graff over the week end. Mrs. Graff spent last week in Alliquippa. Mr. and Mrs. William Buchanan and son, Billie Jr., of Poland, O., Mr. and Mrs. Henry Karki Sr., Mr. and Mrs. Paul Karki and daughter were guests Sunday at the home of Mr. and Mrs. Henry Karki of Albion avenue. Miss Margaret Whorrel, Pittsburgh, visited her brother and family. E. Whorrel of Albion avenue, last week. Mr. and Mrs. Dado of Edensburg were guests at the Whorrel home over the week end. Mr. and Mrs. Adison Davis and children spent Sunday at the home of Mr. and Mrs. Eugene De Mark of Ellwood City. Demands for higher wages are decreasing in Cuba and some wages have been reduced.

Graduation Week To Start Tonight

Junior-Senior Prom Night For New Wilmington High School Classes
 NEW WILMINGTON, May 20.—Graduation season at New Wilmington high school starts tonight when the annual Junior-Senior prom is held at Schuster's, near Greenville. Baccalaureate is planned for Sunday evening, May 21, in the United Presbyterian church with class night Tuesday at the community hall. Commencement exercises will be held in the U. P. church Friday evening, May 27. Rev. R. P. McDonald of the U. P. church will preach the baccalaureate sermon. The program for the evening is: Invocation, Rev. George Myers; scripture, Rev. Myers; prayer, Rev. Myers; anthem, "Cherubim Song," high school mixed chorus; sermon and benediction, Rev. McDonald; processional. Committees for tonight's program are: Reservations, Lucille Chesmir; Joan Borowicz, Delbert Detwiler and Wallace Downs; place cards, Mary Kerr; Joan Thomas, Janet Hawthorne, Lotta Veazey, Maxine Plotts, Mary Jo Wilson and Betsy Silman; invitations, Mary Jo Wilson and Joan Thomas.

Mental Population In State Increasing

HARRISBURG, May 20.—(INS)—The impact of World War II is beginning to boost Pennsylvania's mental population pointing up the need for an expanded care and treatment program. Gov. James H. Duff said reports from the Philadelphia State Mental hospital revealed that mental illness attributable to the last war is increasing the number of patients at what he called "alarming rates and beyond what might have been expected." He said he had not received any reports from the other 19 mental institutions but assumed similar increases in the mental population were being experienced. Duff said the increase indicated a need for more hospitals to house the mentally ill but, in the absence of complete details, postponed discussion of the problem until he had marshalled some facts. Elgrass, chief food of many coastwise wildfowl, was reported in 1947 to be increasing rapidly after being almost exterminated 15 years ago by a fungus disease.

Does Stomach Gas and Bloat Make You Feel Miserable?

If so, here is how you may get blessed relief in freeing your stomach from this nervous distress. It works this way: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; now the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness. To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients. Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better. Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait until the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Sturdy Health.

Braves' Bickford Tames Bucs, 4 To 1

Rookie Hurler Throws Five-Hitter In Debut

By LOU GARAVANTE

NEW YORK, May 20.—(INS)—Boston's Billy Southworth pulled one from the center of the deck today and flashed a "pitcher card" which may mean the "jackpot" for the Braves.

The "ace" is rookie Vern (Bick) Bickford who made his major league debut last night by setting down the Pittsburgh Pirates with a five-hit 4 to 1 victory. He came up from Milwaukee.

Southworth has Warren Spahn, Johnny Sain, and Bill Voiselle as his big three. But he needed a fourth starter if the Braves were to be serious pennant threats.

Bickford solved his problem. Outwardly calm, the 28-year-old six footer shortcircuited the Bucs powerhouse with a "slider" pitch. The veteran Max West tagged Bickford for a homer in the seventh but that was all.

Steadies Up

After the circuit slam, Bickford didn't waver again.

To complement this fine hurling, Tommy Holmes contributed a homer and a triple as the Braves clipped Rip Sewell for three runs in the third and Holmes' circuit shot in the fifth.

The win put Boston in third place, three games behind the first place St. Louis Cardinals.

Blazin' Bob Feller dazzled the ambitious Philadelphia Athletics with a three-hit 6 to 1 chore that temporarily stalled the A's place drive. Feller had a one-hit shutout, the Reds' 14th loss in 17 games. Whitey Lockman and Bill Rigney hit home runs to sew up the New York triumph against southpaw Kent Peterson.

The Indians touched up the veteran Bill Dietrich for a run in the third and sewed up the game in the fifth with a five-run outburst.

Larry Jansen humbled the Cincinnati Reds with a seven-hit, 5 to 0 shutout, the Reds' 14th loss in 17 games. Whitey Lockman and Bill Rigney hit home runs to sew up the New York triumph against southpaw Kent Peterson.

Hal Newhouse, without victory since opening day, pitched a four-hitter against the Boston Red Sox, and by virtue of Vic Wertz's ninth inning, two-out homer, chalked up a 4 to 1 win for Detroit.

Walter Masterson, burly Washington Senator hurler, scattered seven Chicago White Sox hits to win 4 to 1. The loss was the last-place Sox's 18th in 22 games.

The Philadelphia Phillies unloaded four straight hits against rookie left-hander Cliff Chambers to nip Chicago 2 to 1 in the ninth inning. Howie Schultz's single following a triple by Johnny Blatnik and singles by Del Ennis and Eddie Miller produced the winning tally.

Pitching was at a minimum in the Yankee and Cardinal victories. Yankee catcher Yogi Berra smashed a three-run double in the seventh to beat the St. Louis Browns 3 to 4. Ed Lopat staggered through a 12-hit Brownie attack to secure his second win and first complete game of the year.

The Brooklyn Dodgers used five of their seven pitchers but St. Louis hitters managed to collect 18 hits in a 14 to 7 Donnybrook that took three hours and 28 minutes.

Stan Musial, perennial "hatchetman" against the Browns, had a perfect night with a triple, double and three singles.

WILL WORKOUT

The VFW Post 552 baseball team will have a workout at the Deshon Annex field at 6 o'clock tonight, it was announced by Commander Jimmy Dennis.

Jimmy Masticola, Penn State sophomore pitching ace, was a former schoolboy star at Chester, Pa.

Uniontown Tops Chiefs 6 To 5

Relief Pitcher Higgins Stops Chiefs After A Five-Run Attack In Second Inning

(Special To The News)

UNIONTOWN, May 20.—Relief pitcher, Bob Higgins, stepped into the breach here last night with a neat job of shacking the New Castle Chiefs after the Warriors had scored five times in the second inning. Uniontown edged the New Castle entry in the latter innings 6 to 5.

Higgins showed only two hits in the 7 and 2/3 innings he worked. Three walks coupled with two hits and an error was the downfall of Felix Buchioni in the fifth inning as the Coal Barons tallied five to win the game.

Mahoney Stars For Chiefs

Walt Mahoney was the big gun in the New Castle attack getting a single and double. Williams and Bonetti got the same for Uniontown.

The Chiefs were rather tired after a long auto ride and a 21 to 15 defeat of Youngstown the previous evening. Johnny Magusiak, the regular Chiefs shortstop, reported sick, did not make the trip here. Adin Hoch the catcher was shoved into the breach at short and did a good job. Another game is carded here tonight.

Box Score:

Bessemer Fetes Athletic Stars

Testimonial Banquet Honors Athletes Of Four Sports At County School

Bessemer high school's athletic banquet proved a great success under the directorship of toastmaster Carl Montgomery, burgess of Bessemer borough, Wednesday evening. The banquet was given in honor of the boys who participated in all sports, including football, basketball, baseball and track, during the past season.

Outstanding among the boys feted was August Anderson, who was the only boy to receive a letter in all four sports. He is a sophomore who will be an inspiration to teams at Bessemer for the next two years.

During the course of the evening's program, remarks were heard from Frank Thomas, high school principal; Robert Gaspey, assistant coach; John Verlotto, representative of the Mahoning township school board, and Roy DeArment of the Bessemer school board. The invocation was given by Rev. William Fravel.

Awards Are Made
Coach William Ciccone after a few words presented the lettermen with letters and jackets won during the 1947-48 season. Chandler B. McMillan, supervising principal, spoke briefly on the high school's plans for the 1948-49 season. Under able handling by the toastmaster, the program was brought to a climax when the guest speakers, Walter West, assistant coach, and A. C. "Slim" Ransom, coach of Geneva college, were heard. Walter West related interesting stories from his personal experiences as a coach and football player. "Slim" Ransom gave an inspiring talk on "Sports and Character Building".

During the presentation of letters and jackets, jackets were given to the three graduating players, Harry Glass, Leonard Lombardi, and Ron Sante. Letters were given to the following players: James Amedure, August Anderson, Leonard Lombardi, Thomas Shuluga, Dan Marangoni, Don Sainato, Jack Davidson, Richard Perrott, Ray Gennaro, Charles Stanley, Sam Tirratto, Phillip Tirratto, Henry Pezzulo, Francis Schaville, Richard Romeo, Joe Romano, Harry Glass, Russell Cracraft, Albert Grilli, Tony Magnoli, Jesse Moore and managers Eddie Novad and Milan Zornick.

Church Golfers Starting Season

The New Castle church golfers are starting their 17th season at the Castle Hills course tonight at 5:30 o'clock. The men must tee off before 6:15 o'clock. There are eight churches in the loop. St. Paul's are the defending champs.

The Smith brothers, Tom and Jerry, of Jeannette, Pa., are members of the Penn State golf team.

CHESNES PITCHING FOR CUPID, ALSO

PITTSBURGH, May 20.—(INS)—Bob Chesnes today was licensed to pitch for cupid as well as for the Pittsburgh Pirates.

The 27-year-old Pirate rookie pitcher and Rose Wilson, 22, Culver City, Calif., got a marriage license after Registrar of Wills Bernard F. Goodwin waived the three-day waiting law.

Chesnes, who cost the Pirates \$65,000 plus five players, had asked for the waiver so, he said, he could be married before he has to rejoin his team.

Chesnes kissed the bride-to-be for news photographers but he wouldn't say when or where they would be married.

Hogan-Hamilton Pace PGA Tourney

ST. LOUIS, May 20.—(INS)—Little Ben Hogan of Hershey, Pa., and 200-pound Bob Hamilton of Landover, Md., were running ahead of the field today as the 30th annual Professional Golfers' Association tournament entered the final phase of 36-hole qualifying play.

Hogan and Hamilton — P.G.A. champions in 1946 and 1944 respectively — fired five-under-par 66's in yesterday's 18-hole round of medal play at Norwood Hills Country Club in St. Louis.

Only one stroke behind were 46-year-old Gene Sarazen of Germantown, N. Y., also a former P.G.A. titlist, and Herman Keiser of Akron, O., the 1946 Masters' tournament champion.

Sammy Snead of White Sulphur Springs, W. Va., another ex-P.G.A. champ, scored a 68 for the 71-par course along with Ed "Porky" Oliver of Kenmore, Wash., Jimmy Demaret of Ojai, Calif., and Pete Cooper of Ponte Vedra, Fla.

A long, lean right-hander, Cy Miller, of Millersburg, looms as Penn State's coming hero on the pitching mound. He yielded only two hits in his last start.

Batting LEADERS

BATTING—National league: Holmes, Boston, .446; Blalock, Philadelphia, .425; Gustin, Pittsburgh, .399; Furillo, Brooklyn, .375; Haas, Philadelphia, .374. American league: Bourdeau, Cleveland, .422; Zarilla, St. Louis, .399; Williams, Boston, .372; Keltner, Cleveland, .351; Kell, St. Louis, .338.

RUNS BATTED IN—National league: Sauer, Cincinnati, 23; Kiser, Pittsburgh, 22. American league: Williams, Boston, 20; Majewski, Philadelphia, 20; Keltner, Cleveland, 21.

HOME RUNS—National league: Sauer, Cincinnati, 9; Pavlo, Chicago, 8. American league: Keltner, Cleveland, 12; Williams, Boston, 7.

St. Louis Clubs Pared To Limit

ST. LOUIS, May 20.—(INS)—Both St. Louis ball clubs were down to the 245-player limit today after cutting men adrift at the last possible moment.

The Browns last night announced that they had released outright pitcher Jim Wilson to the Toledo Mudhens of the American Association. He had pitched less than three innings so far this season because of an injury to a finger on his left hand.

The Cardinals disposed of two hurlers. Clarence Beers went to Columbus to the American Association and Ken Johnson to Rochester of the International League. Both are subject to 24-hour recall.

OVER 700 SCHOOLS AT STATE COLLEGE FOR PIAA SPORTS

STATE COLLEGE, Pa., May 20.—(INS)—More than 700 high school athletes began assembling at State College today for the annual Pennsylvania Interscholastic Athletic Association track and field, golf and tennis championships.

In a whirlwind of sports activity, championship squads from 12 PIAA districts will compete for state titles Friday and Saturday.

In conjunction with the three-day meet, the PIAA board of control will hold its regular spring meeting tomorrow at Pennsylvania State College.

Titan Golfers End Season

Score Win Over Tech 11½ To 6½,
Win 12 Out Of 14 Matches,
Successful Campaign

(Special To The News)
NEW WILMINGTON, May 20.—

The Westminster golfing team has ended the most successful golf season in the history of the school, winning 12 out of 14 matched this spring. Yesterday the Titans won their final match on the schedule by trimming Carnegie Tech at Alcoma Country Club, Pittsburgh 11½ to 6½.

Point scorers for the Dr. William Thomas coached team were: Salsgiver 2, Burke ½, Lucas 0, Broad 3, Winters 3, Paul 3.

Louis Opening Sparring Drills

POMPTON LAKES, N. J., May 20.—(INS)—Heavyweight champion Joe Louis will make his first appearance "under colors," I. E., fighting regalia, in an American ring today since last December when he came within a split-decision of losing the title to Jersey Joe Walcott.

Louis, ensconced at Pompton Lakes, N. J., will put on a press preview of four rounds and, at the same time, launch 20 days of intensive preparation for the second Walcott fight, June 23, at the Yankee Stadium. The Brown Bomber arrived two days ago from a month's preliminary conditioning at Bloomingdale, Mich.

Today's agenda called for Louis to box one round each with McKinley English, Detroit; Dick Hagan, Chicago; John Hubbard, Milwaukee, and Roy Taylor, New York. All are heavyweights.

NEW YORK, May 20.—(INS)—Citation, 1948's toast of the turf, was due for his first Belmont Park workout today and will go to the post once before seeking the third diadem of racing's triple crown in the \$100,000 Belmont Stakes, June 12.
